Description: Section 215 of the Medicare Access and CHIP Reauthorization Act of 2015 (Pub. L. 114-10) 42 U.S.C. 1305 extended funding through FY 2017 for the State Abstinence Program.

The Family and Youth Services Bureau (FYSB) is accepting applications from States and Territories for the development and implementation of the

State Abstinence Program. The purpose of this program is to support decisions to abstain from sexual activity by providing abstinence programming as defined by Section 510(b) of the Social Security Act (42 U.S.C. 710(b)) with a focus on those groups that are most likely to bear children out-of-wedlock, such as youth in or aging out of foster care and other vulnerable populations.

States are encouraged to develop flexible, medically accurate and effective abstinence-based plans responsive to their specific needs and inclusive of vulnerable populations. These plans must provide abstinence education, and at the option of the State, where appropriate, mentoring, counseling, and adult supervision to promote abstinence from sexual activity, with a focus on those groups which are most likely to bear children out-of-wedlock. An expected outcome for all programs is to promote abstinence from sexual activity.
