

Advisory Committee (COMSTAC). The Teleconference will take place on Wednesday, September 14, 2016 starting at 3:00 p.m. Eastern Standard Time and will last approximately one hour. The agenda and call-in number will be posted at least one week in advance at <http://www.faa.gov/go/ast>.

The purpose of this teleconference is to review draft legislation proposed by Representative Jim Bridenstine, Oklahoma, 1st District, that would authorize the Department of Transportation to perform an enhanced version of its current payload review process and consult with its interagency partners to ensure the compliance of proposed commercial space activities with U.S. treaty obligations, and national security and foreign policy interests. Examples of the types of activities that could fall under this authority include commercial space stations, satellite servicing, space resource utilization, and operations beyond Earth orbit. The FAA recently used an ad-hoc version of this approach to authorize a U.S. company to carry out the first private mission on the Moon.

Interested members of the public may submit relevant written statements for the COMSTAC members to consider under the advisory process. Statements may concern the issues and agenda items mentioned above and/or additional issues that may be relevant for the U.S. commercial space transportation industry. Interested parties wishing to submit written statements should contact Michael Beavin, COMSTAC Executive Director, (the Contact Person listed below) in writing (mail or email) by September 9, 2016, so that the information can be made available to COMSTAC members for their review and consideration before the September 14 teleconference. Written statements should be supplied in the following formats: one hard copy with original signature and/or one electronic copy via email.

An agenda will be posted on the FAA Web site at www.faa.gov/go/ast.

Individuals who plan to participate and need special assistance should inform the Contact Persons listed below in advance of the meeting.

FOR FURTHER INFORMATION CONTACT: Michael Beavin, telephone (202) 267-9051; email Michael.beavin@faa.gov, FAA Office of Commercial Space Transportation (AST-3), 800 Independence Avenue SW., Room 331, Washington, DC 20591.

Complete information regarding COMSTAC is available on the FAA Web site at: http://www.faa.gov/about/office_org/headquarters_offices/ast/advisory_committee/.

Authority: Public Law 92-463, 5 U.S.C. App. 2.

Issued in Washington, DC, August 24, 2016.

George C. Nield,

Associate Administrator for Commercial Space Transportation.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Summary Notice No. 2016-95]

Petition for Exemption; Summary of Petition Received; Fusion Flight, LLC

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of petition for exemption received.

SUMMARY: This notice contains a summary of a petition seeking relief from specified requirements of 14 CFR. The purpose of this notice is to improve the public's awareness of, and participation in, this aspect of FAA's regulatory activities. Neither publication of this notice nor the inclusion or omission of information in the summary is intended to affect the legal status of the petition or its final disposition.

DATES: Comments on this petition must identify the petition docket number and must be received on or before September 19, 2016.

ADDRESSES: You may send comments identified by Docket Number FAA-2016-5847 using any of the following methods:

- *Government-wide rulemaking Web site:* Go to <http://www.regulations.gov> and follow the instructions for sending your comments electronically.
- *Mail:* Send comments to the Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12-140, Washington, DC 20590.
- *Fax:* Fax comments to the Docket Management Facility at 202-493-2251.
- *Hand Delivery:* Bring comments to the Docket Management Facility in Room W12-140 of the West Building Ground Floor at 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Privacy: We will post all comments we receive, without change, to <http://www.regulations.gov>, including any personal information you provide. Using the search function of our docket Web site, anyone can find and read the

comments received into any of our dockets, including the name of the individual sending the comment (or signing the comment for an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477-78).

Docket: To read background documents or comments received, go to <http://www.regulations.gov> at any time or to the Docket Management Facility in Room W12-140 of the West Building Ground Floor at 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT:

Thuy H. Cooper, (202) 267-4715. 800 Independence Avenue SW., Washington, DC 20591. This notice is published pursuant to 14 CFR 11.85.

Issued in Washington, DC, on August 19, 2016.

Dale Bouffiou,

Acting Director, Office of Rulemaking,

Petition for Exemption

Docket No.: FAA-2016-5847.

Petitioner: Fusion Flight, LLC.

Sections of 14 CFR Affected: 61.113, 91.151, 91.119, and 91.12.

Description of Relief Sought: Fusion Flight requests an exemption to operate an unmanned and autonomous aircraft that ascends, powered by a jet engine, on a ballistic trajectory up to 16.2 km (53,150 ft) AGL and descends, once its fuel is consumed, under parachute. The petitioner's purpose is to investigate the feasibility of constructing a launch vehicle with a jet-engine powered first stage, which if possible, has the potential to greatly reduce the cost of sending payloads into space.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Waiver of Aeronautical Land-Use Assurance: Marshall Memorial Municipal Airport (MHL), Marshall, MO

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of Intent of Waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal from the City of Marshall (sponsor), Marshall, MO, to release a 15.42± acres of land from the federal obligation dedicating it to aeronautical

use and to authorize this parcel to be used for revenue-producing, non-aeronautical purposes.

DATES: Comments must be received on or before September 29, 2016.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Mayor Mark Gooden, City of Marshall Office Building, 214 N. Lafayette Ave., Marshall, MO 65340, (660) 886-2226.

FOR FURTHER INFORMATION CONTACT: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust, Room 364, Kansas City, MO 64106, Telephone number (816) 329-2644, Fax number (816) 329-2611, email address: lynn.martin@faa.gov.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to change approximately 15.42± acres of airport property at the Marshall Memorial Municipal Airport (MHL) from aeronautical use to non-aeronautical use for revenue producing. The parcel of land is located along the North line of Fairground Road. This parcel will be used for a solar farm. The land will be leased to MC Power for the solar farm.

No airport landside or airside facilities are presently located on this parcel, nor are airport developments contemplated in the future. Farming is the current use of the surface of the parcel. The parcel will serve as a revenue producing lot with the proposed change from aeronautical to non-aeronautical. The request submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the change to non-aeronautical status of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

The Marshall Memorial Municipal Airport (MHL) is proposing the release of one parcel, of 15.42 acres, more or less from aeronautical to non-aeronautical. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally

acquired airport property to be used for non-aviation purposes. The rental of the subject property will result in the land at the Marshall Memorial Municipal Airport (MHL) being changed from aeronautical to nonaeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market rental value for the property. The annual income from rent payments will generate a long-term, revenue-producing stream that will further the Sponsor's obligation under FAA Grant Assurance number 24, to make the Marshall Memorial Municipal Airport as financially self-sufficient as possible.

Following is a legal description of the subject airport property at the Marshall Memorial Municipal Airport (MHL):

A tract of land located in the Southwest Quarter of Section 22 T50N R21W, in Marshall, Saline County, Missouri, and further described as follows:

Commencing at the Southwest Corner of said section 22, thence along the South line of said section, S. 89°09'20" E. 383.83 feet; Thence N. 00°50'40" E. 20.00 feet, to a point on the East Right of Way of U.S. Highway 65, and the point of beginning.

From the point of beginning, thence continuing along said Right of Way, on a curve to the right, having a radius of 2,774.79 feet, a distance of 732.57 feet, the chord being N. 17°16'20" W. 730.45 feet; thence S. 83°49'30" E. 1,163.93 feet; thence S. 01°54'00" W. 586.19 feet; to the North line of Fairground Road; thence along said North line N. 89°09'20" 920.98 feet, to the point of beginning, containing 15.42 acres.

Any person may inspect, by appointment, the request in person at the FAA office listed above **FOR FURTHER INFORMATION CONTACT.** In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Marshall Memorial Municipal Airport.

Issued in Kansas City, MO, on August 23, 2016.

Jim A. Johnson,
Manager, Airports Division.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Noise Exposure Map Notice for Baltimore/Washington International Thurgood Marshall Airport, Anne Arundel County, Maryland

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by the Maryland Aviation Administration for Baltimore/Washington International Thurgood Marshall Airport under the provisions of 49 U.S.C. 47501 *et seq.* (Aviation Safety and Noise Abatement Act) and 14 CFR part 150 are in compliance with applicable requirements.

DATES: *Effective Date:* The effective date of the FAA's determination on the noise exposure maps is August 31, 2016.

FOR FURTHER INFORMATION CONTACT: Washington Airports District Office (WAS ADO), Marcus Brundage, Environmental Protection Specialist, Federal Aviation Administration, WAS ADO, Washington Airports District Office, 23723 Air Freight Lane, Suite 210, Dulles, VA 20166, Telephone: (703) 661-1354.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA finds that the noise exposure maps submitted for the Baltimore/Washington International Thurgood Marshall Airport are in compliance with applicable requirements of 14 CFR part 150, effective January 13, 2004. Under 49 U.S.C. 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations during a forecast period that is at least five (5) years in the future, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the
