2016 Second Call for Nominations for Certain New Mexico Resource Advisory Councils

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to reopen the request for public nominations for certain New Mexico Bureau of Land Management (BLM) Resource Advisory Councils (RAC) that have member terms expiring this year. These RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas. The RACs covered by this request for nominations are identified below. The BLM will accept public nominations for 30 days after the publication of this notice.

DATES: All nominations must be received no later than September 30, 2016.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of BLM New Mexico Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Allison Sandoval, U.S. Department of the Interior, Bureau of Land Management, New Mexico State Office, 301 Dinosaur Trail, Santa Fe, NM 87502–0115; 505–954– 2019.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in

planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits or leases; representatives of energy and mineral development; representatives of the commercial timber industry; representatives of interests associated with transportation or rights-of-way; or representatives of developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations; archaeological and historic organizations; dispersed recreation activities; or nationally or regionally recognized wild horse and burro organizations; and

Category Three—Persons who hold State, county, or local elected office; employees of a State agency responsible for management of natural resources, land or water; representatives of Indian tribes within or adjacent to the area for which the council is organized; persons who are employed as academicians in natural resource management or natural sciences; or representatives of the affected public-at-large.

Those who have already submitted a nomination in response to the first call for nominations (published in the **Federal Register** on March 18, 2016, 81 FR 14879) do not need to resubmit. All nominations from the first and second calls will be considered together during the review process. Individuals may nominate themselves or others.

Nominees must be residents of the State of New Mexico. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. Individuals who are Federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term “individual capacity” refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest. The following must accompany all nominations for the RACs:

- Letters of reference from represented interests or organizations;
- A completed Resource Advisory Council application; and
- Any other information that addresses the nominee’s qualifications.

Simultaneous with this notice, the BLM New Mexico State Office will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC.

Nominations and completed applications for RACs should be sent to the appropriate BLM offices listed below:

Albuquerque District RAC: Carlos Coontz, Socorro Field Office, BLM, 901 South Highway 85, Socorro, NM 87801, (575) 838–1263.

Farmington District RAC: Tamara Faust, Farmington District Office, BLM, 6251 College Boulevard, Farmington, NM 87402, (505) 564–7762.

Authority: 43 CFR 1784.4-1

Sally R. Butts,

Acting Deputy State Director, Lands and Resources.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-794]

Certain Electronic Devices, Including Wireless Communication Devices, Portable Music and Data Processing Devices, and Tablet Computers Sanction for Breaches of Administrative Protective Order

AGENCY: U.S. International Trade Commission.

ACTION: Sanction for breaches of Commission administrative protective order.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has imposed a sanction for the breach of the administrative protective order (“APO”) issued in this investigation. The Commission determined that the law firm of Quinn Emanuel Urquhart & Sullivan, LLP (“Quinn Emanuel”) breached the APO by failing to adequately control access to confidential business information (“CBI”) in the investigation and litigation in the U.S. District for the Northern District of California. As a result, Quinn Emanuel attorneys and employees of complainants Samsung Telecommunications America LLC and Samsung Electronics Co., Ltd. (collectively, “Samsung”) improperly disclosed CBI to more than 140 unauthorized persons over a fourteen-month period. Quinn Emanuel is being publicly reprimanded for pervasive problems at the firm in safeguarding CBI.

FOR FURTHER INFORMATION CONTACT: Carol McCue Verratti, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-3088. Hearing impaired individuals are advised that information on this matter can be obtained by contacting the Commission's TDD terminal at (202) 205-1810. General information concerning the Commission can also be obtained by accessing its Internet server (<https://www.usitc.gov>).

SUPPLEMENTARY INFORMATION: Several Quinn Emanuel attorneys inadvertently disclosed CBI designated by respondent Apple Inc. as CBI in the investigation and for cross-use in litigation in the U.S. District for the Northern District of California to persons who were not authorized to access CBI under the APO.

A junior associate at Quinn Emanuel failed to fully redact CBI from an expert report prepared for the district court action, and a partner at Quinn Emanuel failed to supervise the junior associate.
