Self-Regulatory Organizations: Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule

August 26, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”), 1 and Rule 19b–4 thereunder, notice is hereby given that on August 12, 2016, Chicago Board Options Exchange, Incorporated (the “Exchange” or “CBOE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Fees Schedule. The text of the proposed rule change is available on the Exchange’s Web site (http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fees Schedule. Specifically, the Exchange proposes to delete the reference to “Test Center” fees from the Continuing Education Fees sub-section of the Regulatory Fees section of the Fees Schedule to reflect the fact that the Exchange no longer offers test center delivery of the Regulatory Element of the Exchange’s continuing education requirement: as of July 5, 2016, delivery of the Regulatory Element of the Exchange’s continuing education requirement is entirely Web-based.

On August 8, 2015, the Securities and Exchange Commission (“SEC” or “Commission”) approved SR–FINRA–2015–015 and the proposed changes to FINRA Rule 1250 therein, which, among other things, provided for Web-based delivery of the Regulatory Element of certain of FINRA’s continuing education programs. 3 Pursuant to SR–FINRA–2015–015, effective October 1, 2015, Web-based delivery has been available for the Regulatory Element for the S106 Continuing Education Program for Investment Company and Variable Contracts Representatives, the S201 Continuing Education Program for Registered Principals and Supervisors, and the S901 Continuing Education Program for Operations Professionals. 4 Web-based delivery of the S101 General Program, the continuing education program for all other registration categories, became available on January 4, 2016, as contemplated by SR–FINRA–2015–015. In addition, pursuant to SR–FINRA–2015–015, test center delivery of the Regulatory Element of the S101, S106, S201, and S901 continuing education programs was to end after January 4, 2016, but in no case more than six months after January 4, 2016 or July 5, 2016. 5 Since July 5, 2016 has passed, going forward, the Regulatory Element of the above-listed continuing education programs is no longer administered at test centers and is only offered via Web-based delivery.

The Exchange utilizes FINRA’s continuing education programs for its own continuing education requirements. Consistent with SR–FINRA–2015–015, the Exchange recently filed SR–CBOE–2015–084 6 relating to continuing education. In the filing, the Exchange proposed substantially similar changes to its rules as those set forth in SR–FINRA–2015–015 with respect to Web-based delivery of the Regulatory Element of the S101 General Program, S106 Continuing Education Program for Investment Company and Variable Contracts Representatives, the S201 Continuing Education Program for Registered Principals and Supervisors, and the S901 Continuing Education Program for Operations Professionals. Consistent with SR–CBOE–2015–084, the Exchange also filed SR–CBOE–2015–093 to amend the Fees Schedule to provide that the fee for Web-based delivery of the Regulatory Elements of the S101, S106, S201, and S901 Continuing Education Programs would be $100 per session to test center delivery, which would continue to be $100 per session until
