FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Joanne Bogart, 202-205-7855.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Study of School Climate Transformation Grants.

OMB Control Number: 1875-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 89.

Total Estimated Number of Annual Burden Hours: 127.

Abstract: This study examines how state departments of education and school districts that have received multiple federal grants coordinate the activities across those grants. U.S. Department of Education-funded School Climate Transformation Grants aim to improve school safety by supporting schools in the implementation of an evidence-based, multi-tiered system of behavioral support. Department of Health and Human Services-supported Project AWARE grants aim to increase access to mental health services by training adults to notice signs of

behavioral health distress and intervene appropriately. Department of Justice-funded School Justice Collaboration Program grants supports courts' collaboration with schools to implement diversion and similar programs to minimize juvenile detention. The study will explore the nature of coordination across grants, the perceived value of coordination, and challenges and lessons learned.

DEPARTMENT OF ENERGY

Notice of Public Meeting To Summarize Public Input Received on the Design of a Consent-Based Siting Process for Spent Nuclear Fuel and High-Level Radioactive Waste Storage and Disposal Facilities

AGENCY: Fuel Cycle Technologies, Office of Nuclear Energy, Department of Energy.

ACTION: Notice of public meeting.

SUMMARY: The U.S. Department of Energy (DOE) is designing a consent-based process for siting facilities that will be a part of an integrated waste management system to transport, store, and dispose of spent nuclear fuel and high-level radioactive waste. As part of this process, the Department issued an Invitation for Public Comment in the **Federal Register** on December 23, 2015 and hosted eight public meetings across the United States in 2016 to get public input on the elements that should be considered in the development of a consent-based siting process. At the September 15, 2016 meeting, the Department will summarize the comments received and discuss next steps in designing a consent-based siting process. The entire meeting will be broadcast live via webstream at <http://consentbasedsiting.webcast.azurewebsites.net>.

DATES: The meeting will take place on Thursday September 15, 2016 from 2:00-4:00 p.m. Eastern Daylight Time. Department officials will be available to discuss consent-based siting during an informal open house 30 minutes before and after the formal meeting.

ADDRESSES: The meeting will be held at the Embassy Suites by Hilton Washington DC Convention Center, 900 10th St NW., Washington, DC 20001. To

register for this meeting and to review the agenda for this meeting, please visit energy.gov/consentbasedsiting.

FOR FURTHER INFORMATION CONTACT: Requests for further information should be sent to consentbasedsiting@hq.doe.gov or to Michael Reim at 202-586-2981. Updated information including registration links and meeting information will be posted at energy.gov/consentbasedsiting.

Privacy Act/Publishing of Personally Identifiable Information: Data collected via the mechanisms listed above will not be protected from the public view in any way. Individual commentors' names and addresses (including email addresses) received as part of oral presentations at the public meeting will be included in the transcript of the public meeting will be published at energy.gov/consentbasedsiting.

Issued in Washington, DC on August 23, 2016.

Andrew Griffith,

Associate Deputy Assistant Secretary for Fuel Cycle Technologies, Office of Nuclear Energy, Department of Energy.
