19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² a proposed rule change to list and trade shares of the BlackRock Government Collateral Pledge Unit. The proposed rule change was published for comment in the *Federal Register* on June 2, 2016.³ On July 14, 2016, pursuant to section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ The Commission has received no comments on the proposed rule change. This order institutes proceedings under section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.

II. Exchange's Description of the Proposal

The Exchange proposes to list and trade shares (“Shares”) of the BlackRock Government Collateral Pledge Unit (“Fund”) under NYSE Arca Equities Rule 8.600, which governs the listing and trading of Managed Fund Shares. The Fund is a series of the BlackRock Collateral Trust (“Trust”), a Delaware statutory trust.⁷ BlackRock Fund Advisors is the investment advisor for the Fund (“Adviser”). State Street Bank and Trust Company is the administrator, custodian, and transfer agent for the Fund. BlackRock Investments, LLC will be the Fund's distributor. The Exchange represents that the Adviser is not registered as a broker-dealer, but is affiliated with two broker-dealers. According to the Exchange, the Adviser has implemented and will maintain a fire wall with respect to its affiliated

⁴ 15 U.S.C. 78s(b)(2).

⁵ See Securities Exchange Act Release No. 78328, 81 FR 47222 (July 20, 2016). The Commission designated August 31, 2016 as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change.

⁶ 15 U.S.C. 78s(b)(2)(B).

⁷ The Exchange represents that the Trust is registered under the Investment Company Act of 1940 (“1940 Act”). According to the Exchange, on April 7, 2016, the Trust filed with the Commission its registration statement on Form N–1A under the Securities Act of 1933 (“Securities Act”) and the 1940 Act relating to the Fund (File Nos. 333–210648 and 811–23154) (“Registration Statement”). The Exchange also states that the Trust and the Adviser (as defined herein) have obtained certain exemptive relief under the 1940 Act. See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812–13601) (“Exemptive Order”). The Exchange represents that the Fund will be offered in reliance upon the Exemptive Order.

broker-dealers regarding access to information concerning the composition of, and changes to, the Fund's portfolio.⁸ In the event (a) the Adviser becomes registered as a broker-dealer or newly affiliated with a broker-dealer, or (b) any new adviser or sub-adviser becomes registered as a broker-dealer or newly affiliated with a broker-dealer, it will implement a fire wall with respect to its relevant personnel or such broker-dealer affiliate regarding access to information concerning the composition of, and changes to, the portfolio, and will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding such portfolio.

The Exchange has made the following representations and statements in describing the Fund and its investment strategies, including the Fund's portfolio holdings and investment restrictions.⁹

A. Exchange's Description of the Fund's Principal Investments

According to the Exchange, the Fund's investment objective will be to seek to provide as high a level of current income as is consistent with liquidity and minimum volatility of principal. The Fund will seek to achieve its investment objective by investing, under

⁸ The Exchange further represents that an investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 ("Advisers Act"). As a result, the Adviser and its related personnel are subject to the provisions of Rule 204A-1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A-1 under the Advisers Act. The Exchange represents that the Adviser and its related personnel are subject to Advisers Act Rule 204A-1. In addition, Rule 206(4)-7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violation, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for administering the policies and procedures adopted under subparagraph (i) above.

⁹ The Commission notes that additional information regarding the Trust, the Fund, and the Shares, including investment strategies, risks, net asset value ("NAV") calculation, creation and redemption procedures, fees, Fund holdings disclosure policies, distributions, and taxes, among other information, is included in the Notice and the Registration Statement, as applicable. See Notice and Registration Statement, *supra* notes 3 and 7, respectively.

normal circumstances,¹⁰ at least 80% of its net assets in a portfolio of U.S. dollar-denominated short-term government securities and other money market securities eligible for investment by U.S. government money market funds that seek to maintain a stable net asset value (including indirect investments through the "Underlying Funds," as defined below).

Under normal circumstances, the Fund intends to invest a substantial portion of its assets in the following government money market funds (individually, "Underlying Fund," and together, collectively, "Underlying Funds"), which principally invest in short-term U.S. Treasury bills, notes, and other obligations issued or guaranteed as to principal and interest by the U.S. government or its agencies or instrumentalities, and repurchase agreements secured by such obligations or cash:¹¹ (1) FedFund and T-Fund (each, a series of BlackRock Liquidity Funds); and (2) BlackRock Premier Government Institutional Fund and BlackRock Select Treasury Strategies Institutional Fund (each, a series of Funds For Institutions Series).¹² The Adviser may add, eliminate, or replace any or all Underlying Funds at any time. Any additions to, or replacements for, the Underlying Funds will also be government money market funds with substantially similar investment characteristics as those applicable to the Underlying Funds. The Adviser or its affiliates may advise the Underlying Funds. The Fund generally will allocate and reallocate its assets among the Underlying Funds on a monthly basis on an approximate *pro rata* basis based on the amount of net assets of each Underlying Fund, subject to minimum investment amounts or other constraints on the Underlying Funds.

¹⁰ The term "under normal circumstances" includes, but is not limited to, the absence of extreme volatility or trading halts in the fixed income securities markets or the financial markets generally; circumstances under which the Fund's investments are made for temporary defensive purposes; operational issues causing dissemination of inaccurate market information; or force majeure type events such as systems failure, natural or man-made disaster, act of God, armed conflict, act of terrorism, riot or labor disruption or any similar intervening circumstance.

¹¹ Each Underlying Fund is a "government money market fund," as defined in Rule 2a-7 under the 1940 Act and seeks to maintain a stable NAV of \$1.00. The Fund, however, will not be a money market fund and will not seek to maintain a stable NAV of \$1.00.

¹² According to the Exchange, the Underlying Funds invest in securities maturing in 397 days (13 months) or less (with certain exceptions) and their portfolios will have a dollar-weighted average maturity of 60 days or less and a dollar-weighted average life of 120 days or less.

The Fund and certain Underlying Funds may invest in various types of U.S. government obligations. The Fund and the Underlying Funds may invest in variable and floating rate instruments. The Fund and the Underlying Funds may transact in securities on a when-issued, delayed delivery, or forward commitment basis. The Fund and the Underlying Funds may invest in repurchase agreements that are secured by either obligations issued or guaranteed as to principal and interest by the U.S. government or agencies or instrumentalities, or by cash.

The securities purchased by the Fund will comply with the quality and eligibility requirements of Rule 2a-7 under the 1940 Act. The securities purchased by the Underlying Funds will comply with all requirements of Rule 2a-7 and other rules of the Commission applicable to money market funds that seek to maintain a stable NAV per share. The Fund itself will invest only in money market securities eligible for investment for funds that comply with Rule 2a-7, but will not be subject to other requirements of Rule 2a-7 applicable to money market funds that seek to maintain a stable NAV.

B. Exchange's Description of the Fund's Other Investments

While the Fund, under normal circumstances, will invest at least 80% of its net assets in the securities and financial instruments described above, the Fund may invest its remaining assets in other assets and financial instruments, as described below.

The Fund and the Underlying Funds may invest in certain U.S. government obligations other than those referenced in the Principal Investments section above, namely Treasury receipts where the principal and interest components are traded separately under the Separate Trading of Registered Interest and Principal of Securities (STRIPS) program. The Fund and certain Underlying Funds also may invest in reverse repurchase agreements. In addition, the Fund may invest in the securities of other investment companies (including money market funds) to the extent permitted by law, regulation, exemptive order, or Commission staff guidance.

C. Exchange's Description of the Fund's Investment Restrictions

According to the Exchange, the Fund will be classified as "diversified" pursuant to the diversification standard set forth in section 5(b)(1) of the 1940 Act.

The Fund intends to maintain the required level of diversification and

otherwise conduct its operations so as to qualify as a regulated investment company for purposes of the U.S. Internal Revenue Code of 1986, as amended.

The Fund may invest up to an aggregate amount of 15% of its net assets in illiquid assets (calculated at the time of investment). Each Underlying Fund may invest up to an aggregate amount of 5% of its net assets in illiquid securities. The Fund will monitor its portfolio liquidity on an ongoing basis to determine whether, in light of current circumstances, an adequate level of liquidity is being maintained, and will consider taking appropriate steps in order to maintain adequate liquidity if, through a change in values, net assets, or other circumstances, more than 15% of the Fund's net assets are held in illiquid assets. Illiquid assets include securities subject to contractual or other restrictions on resale and other instruments that lack readily available markets as determined in accordance with Commission staff guidance.

The Exchange represents that the Fund will not invest in futures, options, swaps, or forward contracts. The Exchange further represents that the Fund's investments will be consistent with the Fund's investment objective and will not be used to enhance leverage. That is, while the Fund will be permitted to borrow as permitted under the 1940 Act, the Fund's investments will not be used to seek performance that is the multiple or inverse multiple (e.g., 2x and 3x) of the Fund's primary broad-based securities benchmark index (as defined in Form N-1A).

III. Proceedings To Determine Whether To Approve or Disapprove SR–NYSEArca–2016–63 and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to section 19(b)(2)(B) of the Act¹³ to determine whether the proposed rule change should be approved or disapproved. Institution of such proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed rule change. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, as described below, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to section 19(b)(2)(B) of the Act,¹⁴ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change's consistency with section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be “designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade,” and “to protect investors and the public interest.”¹⁵

Under the proposal, the NAV for the Fund's Shares would generally be calculated as of 12:00 p.m., Eastern Time, on each day the New York Stock Exchange is open for trading. The cutoff time for the submission of creation and redemption orders for the Shares would also generally be 12:00 p.m., Eastern Time. The Commission notes the proposal does not provide any explanation for the early NAV calculation time and creation and redemption cutoff time. The proposal also does not explain whether the early NAV calculation time and creation and redemption cutoff time would have any impact on the trading of the Shares, including any impact on arbitrage. Accordingly, the Commission seeks commenters' views on the 12:00 p.m. NAV calculation time and creation and redemption cutoff time, and on whether the Exchange's statements relating to the NAV calculation and the creation and redemption process support a determination that the listing and trading of the Shares would be consistent with section 6(b)(5) of the Act, which, among other things, requires that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and to protect investors and the public interest.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with section 6(b)(5) or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any

issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.¹⁶

Interested persons are invited to submit written data, views, and arguments regarding whether the proposal should be approved or disapproved by September 27, 2016. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by October 11, 2016. The Commission asks that commenters address the sufficiency of the Exchange's statements in support of the proposal, which are set forth in the Notice,¹⁷ in addition to any other comments they may wish to submit about the proposed rule change.

Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. SIPA-178; File No. SIPC-2016-02]

Securities Investor Protection Corporation: Order Approving a Proposed Bylaw Change Relating to SIPC Fund Assessments on SIPC Members

August 30, 2016.

On May 2, 2016, the Securities Investor Protection Corporation ("SIPC") filed with the Securities and Exchange Commission ("Commission") a proposed bylaw change pursuant to section 3(e)(1) of the Securities Investor Protection Act of 1970 ("SIPA")¹ relating to assessments on SIPC member broker-dealers.² On May 27, 2016, SIPC consented to a 60-day extension of time before the proposed bylaw change takes effect pursuant to section 3(e)(1) of SIPA.³ Pursuant to section 3(e)(1)(B) of

SIPA, the Commission found that the proposed bylaw change involved a matter of such significant public interest that public comment should be obtained.⁴ This meant that the Commission could require the proposed bylaw change to be treated under the procedures in section 3(e)(2) of SIPA applicable to a proposed SIPC rule change.⁵ Consequently, pursuant to section 3(e)(2)(A) of SIPA,⁶ notice requesting comment on the proposed bylaw change was published in the **Federal Register** on June 20, 2016.⁷ The Commission received one comment regarding the proposal.⁸ This order approves the proposed bylaw change under section 3(e)(2) of SIPA.⁹

I. Description of the Proposed Bylaw Change

A. Background

SIPA requires SIPC, by bylaw, to impose assessments upon its member broker-dealers as, after consultation with self-regulatory organizations, SIPC may deem necessary and appropriate to establish and maintain a broker-dealer liquidation fund administered by SIPC (the "SIPC Fund") from which all expenditures by SIPC are to be made, including funds used to facilitate the liquidation of broker-dealers.¹⁰ Pursuant to this authority, SIPC collects annual assessments from its members.¹¹ The amount of the annual assessment is prescribed by SIPA and the SIPC bylaws and is a percentage of the member broker-dealer's net operating revenues from its securities business.¹²

Commission finds that such proposed bylaw change involves a matter of such significant public interest that public comment should be obtained, in which case it may, after notifying SIPC in writing of such finding, require that the procedures set forth in section 3(e)(2) of SIPA be followed with respect to such proposed bylaw change, in the same manner as if such proposed bylaw change were a proposed SIPC rule change.

⁴ See *Securities Investor Protection Corporation; Notice of Filing of Proposed Bylaw Amendment Relating to Assessment of SIPC Members*, Release No. SIPA-177 (June 15, 2016), 81 FR 39986 (June 20, 2016).

⁵ See email dated June 17, 2016 from Jay Lanstein, Chief Executive Officer, Cantella & Co., Inc., available at <https://www.sec.gov/comments/sipc-2016-02/sipc201602-1.htm>.

⁶ See 15 U.S.C. 78ccc(e)(2).

⁷ 15 U.S.C. 78ddd. SIPC stated that it solicited the views of self-regulatory organizations regarding the proposed bylaw change. See email dated July 22, 2016 from Josephine Wang, Secretary, SIPC, to Brent J. Fields, Secretary, Commission.

⁸ 15 U.S.C. 78ddd(d)(2)(C).

⁹ See 15 U.S.C. 78ddd(d); *Bylaws of the Securities Investor Protection Corporation*, Article 6, available at <http://www.sipc.org/about-sipc/statute-and-rules/bylaws>. Net operating revenues

Article 6 of the SIPC bylaws ("Article 6") currently provides for an assessment rate of ¼ of one percent until the SIPC Fund reaches \$2.5 billion and SIPC determines that the Fund will remain at or above \$2.5 billion for at least six months. Once that determination is made, the assessment rate falls to the minimum assessment permitted under SIPA, which is 0.02 percent.¹³ Article 6 also provides that the assessment rate is ¼ of one percent if it is reasonably likely that the balance of the Fund will fall below \$2.5 billion and remain at less than \$2.5 billion for six months or more.

SIPC represented in its proposed bylaw change filing that it continues to examine whether the Fund "target balance" of \$2.5 billion is adequate for SIPC to carry out its mission of customer protection, and that it wished to ensure that at a minimum, and to the extent possible, the Fund does not fall below \$2.5 billion. SIPC indicated that it believed it was prudent to consider not only the size of the Fund over a six-month period, but also SIPC's actual expenditures and its projected expenditures from the Fund over a longer term. In addition, SIPC stated that the size of the Fund is more likely to stay at or above the target balance if there is a more gradual reduction in assessment rates before the minimum assessment rate is imposed. Finally, SIPC stated that such measures would make less likely sudden changes in the assessment rate while giving SIPC members some relief in the amount of the assessment that they owe.

B. The Proposed Amendments

With these considerations in mind, SIPC proposed to modify Article 6 in two respects. First, SIPC proposed to impose an intermediary assessment rate that would apply when the balance of the SIPC Fund is expected to be \$2.5 billion for at least six months but SIPC's unrestricted net assets—a measure of net assets that takes into account the anticipated cost of ongoing customer protection proceedings—are less than \$2.5 billion, as reflected in its most recent audited Statement of Financial Position.¹⁴ Secondly, SIPC proposed to

from the securities business are gross revenues from the securities business, as defined in section 16(9) of SIPA, 15 U.S.C. 78lll(9), less total interest and dividend expense, but not exceeding total interest and dividend income. ³ 15 U.S.C. 78ccc(e)(1). This section provides that a proposed bylaw change shall take effect thirty days after the date of the filing of a copy thereof with the Commission, or upon such later date as SIPC may designate or such earlier date as the Commission may determine unless: (1) The Commission, by notice to SIPC setting forth the reasons therefor, disapproves such proposed bylaw change as being contrary to the public interest or contrary to the purposes of SIPA; or (2) the
