SUPPLEMENTARY INFORMATION:

Background: Economic prosperity is increasingly tied to the digital economy, which is a key driver of competitiveness, business expansion, and innovation. Indeed, virtually every modern company relies on the Internet to grow and thrive. As a result, the Department of Commerce (Department) has made technology and Internet policy a top priority, investing resources to address challenges and opportunities businesses face in a global economy.

Last year, the Secretary of Commerce unveiled the Department's Digital Economy Agenda, which will help businesses and consumers realize the potential of the digital economy to advance growth and opportunity. The Agenda focuses on four key objectives: Promoting a free and open Internet worldwide; promoting trust online;
