

allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that its rates will continue to represent an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities and the proposed change will not in any way modify such rates. Rather, as described above, the proposed change is simply designed to remove fee code ZA from footnote 1, which further increases the clarity of the fee schedule. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe the proposed rule change will impose any burden on competition as it is simply designed to clarify the fee schedule to reflect the higher rebate that qualifying orders are already receiving.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and paragraph (f) of Rule 19b-4 thereunder.<sup>9</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

### **IV. Solicitation of Comments**

Extension:

Rule 17f-1(g), SEC File No. 270-30, OMB Control No. 3235-0290.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17f-1(g) (17 CFR 240.17f-1(g)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Paragraph (g) of Rule 17f-1 requires that all reporting institutions (*i.e.*, every national securities exchange, member thereof, registered securities association, broker, dealer, municipal securities dealer, registered transfer agent, registered clearing agency, participant therein, member of the Federal Reserve System and bank insured by the FDIC) maintain and preserve a number of documents related to their participation in the Lost and Stolen Securities Program ("Program") under Rule 17f-1. The following documents must be kept in an easily accessible place for three years, according to paragraph (g): (1) Copies of all reports of theft or loss (Form X-17F-1A) filed with the Commission's designee; (2) all agreements between reporting institutions regarding registration in the Program or other aspects of Rule 17f-1; and (3) all confirmations or other information received from the Commission or its designee as a result of inquiry.

Reporting institutions utilize these records and reports (a) to report missing, lost, stolen or counterfeit securities to the database, (b) to confirm inquiry of the database, and (c) to demonstrate compliance with Rule 17f-1. The Commission and the reporting institutions' examining authorities utilize these records to monitor the incidence of thefts and losses incurred by reporting institutions and to determine compliance with Rule 17f-1. If such records were not retained by reporting institutions, compliance with Rule 17f-1 could not be monitored effectively.

<sup>8</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>9</sup> 17 CFR 240.19b-4(f).

<sup>10</sup> 17 CFR 200.30-3(a)(12).

The Commission estimates that there are approximately 12,971 reporting institutions (respondents) and, on average, each respondent would need to retain 33 records annually, with each retention requiring approximately 1 minute (a total of 33 minutes or 0.55 hours per respondent per year). Thus, the total estimated annual time burden for all respondents is 7,134 hours (12,971 × 0.55 hours = 7,134). Assuming an average hourly cost for clerical work of \$50.00, the average total yearly record retention cost of compliance for each respondent would be \$27.50 (\$50 × 0.55 hours). Based on these estimates, the total annual compliance cost for the estimated 12,971 reporting institutions would be approximately \$356,702 (12,971 × \$27.50).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services,

100 F Street NE., Washington, DC 20549-2736.

#### Extension:

Rule 15c3-5, SEC File No. 270-601, OMB Control No. 3235-0673.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15c3-5 (17 CFR 240.15c3-5) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15c3-5 under the Exchange Act requires brokers or dealers with access to trading directly on an exchange or alternative trading system ("ATS"), including those providing sponsored or direct market access to customers or other persons, to implement risk management controls and supervisory procedures reasonably designed to manage the financial, regulatory, and other risks of this business activity.

The rule requires brokers or dealers to establish, document, and maintain certain risk management controls and supervisory procedures as well as regularly review such controls and procedures, and document the review, and remediate issues discovered to assure overall effectiveness of such controls and procedures. Each such broker or dealer is required to preserve a copy of its supervisory procedures and a written description of its risk management controls as part of its books and records in a manner consistent with Rule 17a-4(e)(7) under the Exchange Act. Such regular review is required to be conducted in accordance with written procedures and is required to be documented. The broker or dealer is required to preserve a copy of such written procedures, and documentation of each such review, as part of its books and records in a manner consistent with Rule 17a-4(e)(7) under the Exchange Act, and Rule 17a-4(b) under the Exchange Act, respectively.

In addition, the Chief Executive Officer (or equivalent officer) is required to certify annually that the broker or dealer's risk management controls and supervisory procedures comply with the rule, and that the broker-dealer conducted such review. Such certifications are required to be preserved by the broker or dealer as part of its books and records in a manner consistent with Rule 17a-4(b) under the

Exchange Act. Compliance with Rule 15c3-5 is mandatory.

Respondents consist of broker-dealers with access to trading directly on an exchange or ATS. The Commission estimates that there are currently 640 respondents. To comply with Rule 15c3-5, these respondents will spend a total of approximately 102,400 hours per year (160 hours per broker-dealer × 640 broker-dealers = 102,400 hours). At an average internal cost per burden hour of approximately \$339.09, the resultant total related internal cost of compliance for these respondents is \$34,722,560 per year (102,400 burden hours multiplied by approximately \$339.09/hour). In addition, for hardware and software expenses, the Commission estimates that the average annual external cost would be approximately \$20,500 per broker-dealer, or \$13,120,000 in the aggregate (\$20,500 per broker-dealer × 640 brokers and dealers = \$13,120,000).

Written comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549, or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).
