**Endangered Species; Receipt of Applications for Permit**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice of receipt of applications for permit.

**SUMMARY:** We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species. With some exceptions, the Endangered Species Act (ESA) prohibits activities with listed species unless Federal authorization is acquired that allows such activities.

**DATES:** We must receive comments or requests for documents on or before October 17, 2016.

**ADDRESSES:**

**Submitting Comments:** You may submit comments by one of the following methods:

When submitting comments, please indicate the name of the applicant and the PRT# you are commenting on. We will post all comments on http://www.regulations.gov. This generally means that we will post any personal information you provide us (see the Public Comments section below for more information).

**Viewing Comments:** Comments and materials we receive will be available for public inspection on http://www.regulations.gov, or by appointment, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays, at the U.S. Fish and Wildlife Service, Division of Management Authority, 5275 Leesburg Pike, Falls Church, VA 22041–3803; telephone 703–358–2095.

**SUPPLEMENTARY INFORMATION:**

I. Public Comment Procedures

**A. How do I request copies of applications or comments on submitted applications?**

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under ADDRESSES. Please include the Federal Register notice publication date, the PRT-number, and the name of the applicant in your request or submission. We will not consider requests or comments sent to an email or address not listed under ADDRESSES. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically. Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Include sufficient information with your comments to...
allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see DATES) or comments delivered to an address other than those listed above (see ADDRESSES).

B. May I review comments submitted by others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under ADDRESSES. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.), along with Executive Order 13576, “Delivering an Efficient, Effective, and Accountable Government,” and the President’s Memorandum for the Heads of Executive Departments and Agencies of January 21, 2009—Transparency and Open Government (74 FR 4685; January 26, 2009), which call on all Federal agencies to promote openness and transparency in Government by allowing viewing would violate the Privacy Act or Freedom of Information Act, we invite public comment on these permit applications before final action is taken.

III. Permit Applications

Endangered Species

Applicant: University of South Carolina, Columbia, SC; PRT–03065B

On August 18, 2016, we published a Federal Register notice inviting the public to comment on an application for a permit to conduct scientific research on biological samples from olive ridley sea turtle (Lepidochelys olivacea), however the species should have been identified as Kemp’s ridley sea turtle (Lepidochelys kempii) (81 FR 55224). We are now reopening the comment period to allow the public the opportunity to review this new information. This notification covers activities to be conducted by the applicant over a 1-year period.

Sandy Thomas, Egg Harbor Township, NJ; PRT–93219B

The applicant requests a captive-bred wildlife registration under 50 CFR 17.21(g) for the following species to enhance species propagation or survival: Blue-throated macaw (Ara glaucogularis), Golden parakeet (Guarauba guarauba), Red-fronted macaw (Ara rubrogenys), and Citron-crested cockatoo (Cacatua sulphurea citrinocristata). This notification covers activities to be conducted by the applicant over a 1-year period.

Applicant: Harvard University, Museum of Comparative Zoology, Cambridge, MA; PRT–090287

The applicant requests renewal of their permit to export and reimport nonliving museum specimens of endangered and threatened species previously accessioned into the applicant’s collection for scientific research. This notification covers activities to be conducted by the applicant over a 5-year period.

Multiple Applicants

The following applicants each request a permit to import the sport-hunted trophy of one male bontebok (Damaliscus pygargus pygargus) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Reinstate Agency Information Collection for the Johnson O’Malley Act Requirements

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Reinstate information collection and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Bureau of Indian Education is seeking comments and will ask the Office of Management and Budget (OMB) for approval to reinstate the collection of information, Johnson O’Malley Act Requirements, 25 CFR 273, previously authorized by OMB Control Number 1076–0096.

DATES: Submit comments on or before November 15, 2016.

ADDRESSES: You may submit comments on the information collection to Ms. Juanita Mendoza, Program Analyst, Bureau of Indian Education, U.S. Department of the Interior, 1849 C Street NW, MS: #4656 MIB, Washington, DC 20240; or email to: Juanita.Mendoza@bie.edu. Please mention that your comments concern the Johnson O’Malley Act Requirements, OMB Control Number 1076–0096.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, any explanatory information, and related material, see the contact information provided in the ADDRESSES section above.

SUPPLEMENTARY INFORMATION:

I. Abstract

This information collection was authorized for several years under OMB Control Number 1076–0096. In 2005, the information collection was discontinued. However, the Bureau of Indian Education (BIE) would like to reinstate this collection of information for the reasons described below.

The Johnson O’Malley Act (JOM), 25 U.S.C. 455–457, authorizes the BIE to enter into contracts for the purpose of financially assisting those efforts designed to meet the specialized and unique educational needs of eligible Indian students enrolled in public schools and previously private schools. The JOM programs offered to American Indian and Alaska Native students vary and may include such programs as culture, language, academics, and dropout prevention. These include
