SUPPLEMENTARY INFORMATION:

Title: "Clearing Exemption for Certain Swaps Entered into by Cooperatives," (OMB Control No. 3038-0102). This is a request for extension of a currently approved information collection.

Abstract: Section 2(h)(1)(A) of the Commodity Exchange Act requires certain entities to submit for clearing certain swaps if they are required to be cleared by the Commission.

Commission regulation 50.51 permits certain cooperatives to elect not to clear certain swaps that otherwise would be required to be cleared, provided that they meet certain conditions. The rule further requires the reporting of certain information if the exemption for cooperatives is elected. This collection pertains to information the Commission needs to monitor use of the cooperative exemption and assess market risk in connection therewith. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Burden Statement: The Commission is revising its estimate of the burden for this collection to reflect the current number of respondents and respondent burden. The respondent burden for this collection is estimated to be as follows:

Respondents/Affected Entities: Parties electing the cooperative exemption under Commission regulation 50.51.

Estimated Number of Respondents: 25.

Estimated Average Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours on Respondents: 25 hours.

Frequency of Collection: Annually; on occasion.

There are no capital costs or operating and maintenance costs associated with this collection.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: September 14, 2016.

Robert N. Sidman,

Deputy Secretary of the Commission.
