A. Overview of Information Collection

Title of Information Collection: Small Area Fair Market Rent Demonstration Evaluation.

OMB Approval Number: N/A.

Type of Request: New.

Description of the need for the information and proposed use: HUD generally publishes a single FMR for each metropolitan area and provides public housing agencies with discretion to vary local voucher payment standards between 90 and 110 percent of the Fair Market Rent (FMR) (unless HUD approves an exception). The SAFMR

demonstration is testing the alternative approach of setting FMRs at the ZIP Code level. The core hypothesis is that this will significantly expand the ability of Housing Choice Vouchers (HCV) holders to access housing in neighborhoods with high-quality schools, low crime rates, and other indicators of opportunity, as well as integrated neighborhoods in furtherance of HUD's goal of affirmatively furthering fair housing.

HUD is evaluating the SAFMR demonstration and an important consideration in this evaluation is how voucher holders and landlords perceive the shift from traditional area-wide FMRs to SAFMRs. HUD will look into whether both existing and new voucher holders understood how the change to using SAFMRs affected their housing options and whether it led movers to search in new neighborhoods or affected the rate of moving of existing voucher holders. Similarly, HUD wants to know whether landlords were aware of the change in the HCV program and whether this affected their willingness to rent to voucher holders and the level at which they set rents. In order to address these perceptions, 70 tenants and 35 landlords will be interviewed in the areas served by the five PHAs that are in the SAFMR demonstration: Housing Authority of Cook County (IL); Housing Authority of the City of Long Beach (CA); Chattanooga (TN) Housing Authority; Town of Mamaroneck (NY) Housing Authority; Housing Authority of the City of Laredo (TX); and two PHAs from the Dallas metropolitan area—Dallas Housing Authority (TX), and the Plano Housing Authority (TX). To build rapport during recruitment, by acknowledging the value of their time, an incentive payment of \$20 for tenants and \$40 for landlords will be made.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Cost per response	Annual cost
Tenants	70	1	1	0.5	35	\$20	\$1,400
Landlords	35	1	1	1	35	40	1,400
Total	105	70	2,800

SUPPLEMENTARY INFORMATION:

I. Background

As noted in the Summary, elsewhere in today's **Federal Register**, HUD is publishing its final rule entitled "Equal Access in Accordance with an Individual's Gender Identity in Community Planning and Development Programs." Through this final rule, HUD ensures equal access to individuals in accordance with their gender identity in programs and shelter funded under programs administered by HUD's Office of Community Planning and Development (CPD). This rule builds

upon HUD's February 2012 final rule entitled "Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity" (2012 Equal Access Rule), which aimed to ensure that HUD's housing programs would be open to all eligible individuals and families regardless of sexual orientation, gender identity, or marital status. The 2012 Equal Access Rule, however, did not address how transgender and gender non-conforming individuals should be accommodated in temporary, emergency shelters and other buildings and facilities used for shelter that have physical limitations or configurations that require and that are permitted to have shared sleeping quarters or shared bathing facilities.¹ This final rule published in today's **Federal Register** follows HUD's November 20, 2015 proposed rule, which addressed this issue after soliciting public comment. The final rule requires that recipients and subrecipients of CPD funding, as well as owners, operators, and managers of shelters, and other buildings and facilities and providers of services funded in whole or in part by any CPD program to grant equal access to such facilities, and other buildings and facilities, benefits, accommodations and services to individuals in accordance with the individual's gender identity, and in a manner that affords equal access to the individual's family.

The notice set out in the appendix presents an additional measure by HUD to ensure that individuals seeking placement or accommodation in a shelter or other building or facility and housing funded under a program administered by CPD are aware of HUD's equal access policy, as established in HUD's 2012 Equal Access Rule, and elaborated upon in the final rule published in today's **Federal Register**. Through this PRA notice, HUD proposes to require owners and operators of CPD-funded shelters, housing, buildings and other facilities to post this notice on bulletin boards and in other public places where individuals staying in the shelter, building, housing or facility or seeking placement or accommodation in the shelter, building, housing, or facility would see this information. HUD strives to reduce burden by providing the content of the notice to be posted and estimates it will take about six minutes for owners and operators to print and post this notice. All existing and new owners would be required to post the notice only once,

¹ Shared sleeping quarters and shared bathing facilities are those for simultaneous use by more than one person.
