Continuation of the Orders

As a result of the determinations by the Department and the ITC that revocation of the AD and CVD orders would likely lead to continuation or recurrence of dumping and countervailable subsidies and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), the Department hereby orders the continuation of the AD orders on NWRs from the PRC and Taiwan and the CVD order on NWRs from the PRC. United

States Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the orders will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year reviews of the orders not later than 30 days prior to the fifth anniversary of the effective date of continuation of the orders.

These five-year sunset reviews and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Certain Polyester Staple Fiber From the Republic of Korea: Rescission of Antidumping Duty Administrative Review; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is rescinding the administrative review of the antidumping duty order on certain polyester staple fiber from the Republic of Korea, based on the timely withdrawal of requests for review. The period of review is May 1, 2015, through April 30, 2016.

DATES: *Effective:* September 22, 2016.

FOR FURTHER INFORMATION CONTACT: Sergio Balbontin at (202) 482–6478, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2016, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty order on certain polyester staple fiber (PSF) from the Republic of Korea (Korea) for the period of review (POR) of May 1, 2015, through

April 30, 2016 in the **Federal Register**.¹ On May 31, 2016, the Department received timely-filed requests from DAK Americas LLC and Auriga Polymers (the petitioners), and Huvis Corporation (Huvis), in accordance with 19 CFR 351.213(b), for an administrative review of Huvis.² On July 7, 2016, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice of initiation of an administrative review of Huvis.³ On July 12, 2016, and July 26, 2016, pursuant to 19 CFR 351.213(d)(1), the petitioners and Huvis, respectively, timely withdrew their requests for an administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party, or parties, that requested a review withdraw the request/s within 90 days of the publication date of the notice of initiation of the requested review. As noted above, the petitioner withdrew its request for review of Huvis within 90 days of the publication date of the notice of initiation. In addition, Huvis also timely withdrew its request for an administrative review. No other parties requested an administrative review of the antidumping duty order on certain polyester staple fiber from the Republic of Korea. Therefore, in response to the timely withdrawal of requests for review and in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this review.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all

appropriate entries of PSF from Korea during the POR. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification To Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 16, 2016.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

All SCOs and IMSOs must use the SAN and its components to perform their assigned SC training management functions.
