

April 30, 2016 in the **Federal Register**.<sup>1</sup> On May 31, 2016, the Department received timely-filed requests from DAK Americas LLC and Auriga Polymers (the petitioners), and Huvis Corporation (Huvis), in accordance with 19 CFR 351.213(b), for an administrative review of Huvis.<sup>2</sup> On July 7, 2016, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice of initiation of an administrative review of Huvis.<sup>3</sup> On July 12, 2016, and July 26, 2016, pursuant to 19 CFR 351.213(d)(1), the petitioners and Huvis, respectively, timely withdrew their requests for an administrative review.<sup>4</sup>

### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party, or parties, that requested a review withdraw the request/s within 90 days of the publication date of the notice of initiation of the requested review. As noted above, the petitioner withdrew its request for review of Huvis within 90 days of the publication date of the notice of initiation. In addition, Huvis also timely withdrew its request for an administrative review. No other parties requested an administrative review of the antidumping duty order on certain polyester staple fiber from the Republic of Korea. Therefore, in response to the timely withdrawal of requests for review and in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this review.

### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all

appropriate entries of PSF from Korea during the POR. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

### Notification To Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification Regarding Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 16, 2016.

### Privacy Act of 1974; System of Records

**AGENCY:** Office of the Secretary of Defense, DoD.

**ACTION:** Notice to add a System of Records.

**SUMMARY:** Pursuant to the Privacy Act of 1974, 5 U.S.C. 552a, and Office of

Management and Budget (OMB) Circular No. A-130, notice is hereby given that the Office of the Secretary of Defense proposes to add a new system of records, DSCA 07, entitled "Security Assistance Network (SAN)." The SAN is the international security cooperation (SC) database and communications network that provides the Security Cooperation Offices (SCOs) and others in the SC community access to SC financial and logistics management systems, information via various bulletin boards, and a library system for large files. The SAN provides the primary interface for the input and output of data from all military departments, SCOs, and International Military Student Offices (IMSOs). Most importantly, the SAN is where the SCO training manager obtains data used for the Security Cooperation Training Management System (SC-TMS). All SCOs and IMSOs must use the SAN and its components to perform their assigned SC training management functions.

**DATES:** Comments will be accepted on or before October 24, 2016. This proposed action will be effective the day following the end of the comment period unless comments are received which result in a contrary determination.

**ADDRESSES:** You may submit comments, identified by docket number and title, by any of the following methods:
