SUPPLEMENTARY INFORMATION:

Background
On April 1, 2016, the Department (the Department) published the notice of opportunity to request an administrative review of the countervailing duty order on drawn stainless steel sinks (sinks) from the People’s Republic of China (PRC) for the period of review (POR) January 1, 2015, through December 31, 2015.1 On April 28, 2016, Zhongshan Superte Kitchenware Co., Ltd. (Superte) requested an administrative review of its POR sales.2 On April 29, 2016, Guangdong Yingao Uensils Co., Ltd. (Yingao), Guangdong Dongyuan Kitchenware Industrial Co., Ltd. (Dongyuan), and Jiangmen New Star Hi-Tech Enterprise Ltd. (New Star) requested an administrative review of their POR sales.3 On June 6, 2016, in accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice initiating an administrative review of Superte, Yingao, Dongyuan, and New Star.4 New Star and Yingao withdrew their requests for an administrative review on June 16, 2016.5 Dongyuan and Superte withdrew their requests for an administrative review on August 22, 2016, and August 25, 2016, respectively.6

Rescission of Review
Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party, or parties, that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, all parties withdrew their requests for review within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review.

Assessment
The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries of sinks from the PRC during the POR. Countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the Federal Register.

Notifications to Importers
This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of countervailing duties occurred and the subsequent assessment of double countervailing duties.

Notification Regarding Administrative Protective Order
This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 16, 2016.
