General Description of Collection: FDIC regulations (12 CFR 333.2) prohibit any insured State nonmember bank from changing the general character of its business without the prior written consent of the FDIC. The exercise of trust powers by a bank is usually considered to be a change in the general character of a bank’s business if the bank did not exercise those powers previously. Therefore, unless a bank is currently exercising trust powers, it must file a formal application to obtain the FDIC’s written consent to exercise trust powers. State banking authorities, not the FDIC, grant trust powers to their banks. The FDIC merely consents to the exercise of such powers. Applicants use form FDIC 6200/09 to obtain FDIC’s consent.

OMB Number: 3064–0057.

Affected Public: FDIC-insured depository institutions.

Estimated Number of Respondents: 6,081.

Frequency of Response: Quarterly.

Estimated Annual Burden Hours per Response: 20 minutes.

Total Estimated Annual Burden: 8,108 hours.

General Description of Collection: The FDIC collects deposit insurance assessments on a quarterly basis. Each assessment is based on the institution’s quarterly report of condition for the prior calendar quarter. The FDIC collects the quarterly payments by means of direct debits through the Automated Clearing House network. The collection dates for the first period of any given year (January through June) are June 30 and September 30 of the current year. The collection dates for the second period (July through December) are December 30 of the current year and March 30 of the following year. The information collection consists of recordkeeping associated with reviews by officials of the insured institutions to confirm that the assessment data are accurate and, in cases of inaccuracy, submission of corrected data.

The FDIC is requesting OMB to approve the change of the name of the collection from Certified Statement for Semiannual Deposit Insurance Assessment to Quarterly Certified Statement Invoice for Deposit Insurance Assessment to reflect the fact that deposit insurance assessment invoices are issued on a quarterly as opposed to a semiannual basis.
