Title: Suspicious Activity Report by Depository Institutions.

Abstract: The Financial Crimes Enforcement Network (FinCEN), Department of the Treasury, was granted broad authority to require suspicious transaction reporting under the Bank Secrecy Act (BSA) (31 U.S.C. 5318(g)). FinCEN joined with the bank regulators in adopting and requiring reports of

suspicious transactions on a consolidated suspicious activity report (SARs) form. This simplified the process through which banks inform their regulators and law enforcement about suspected criminal activity. In 2011, FinCEN transitioned from industry specific paper forms to one electronically filed dynamic and interactive BAS-SAR for use by all filing institutions.

Information about suspicious transactions conducted or attempted by, at, through, or otherwise involving credit unions are collected through FinCEN's BSA E-filing system by credit unions. A SAR is to be filed no later than 30 calendar days from the date of the initial detection of facts that may constitute a basis for filing a SAR. If no suspect can be identified, the period for filing a SAR is extended to 60 days. FinCEN and law enforcement agencies use the information on BSA-SARs and the supporting documentation retained by the banks for criminal investigation and prosecution purposes.

Adjustments in burden are due to an increase in total filings of suspicious activity by federally insured credit unions. The decrease in burden is due to adjustments made to the reporting and recordkeeping burden to align with FinCEN requirements.

Type of Review: Extension of a previously approved collection.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated No. of Respondents/Recordkeepers: 5,887.

Estimated No. of Responses per Respondent: 14.24.

Estimated Annual Responses: 83,859.

Estimated Burden Hours per Response: 1.

Estimated Total Annual Burden Hours: 83,859.

Title: Foreign Branching; 12 CFR 741.11.

Abstract: Pursuant to Part 741, Section 741.11 of the NCUA Rules and Regulations, an insured credit union that wishes to establish a branch office outside the United States (other than branches located on United States military installations or embassies) must apply for and receive approval from the NCUA regional director before establishing that branch. The application must include (1) a business plan, (2) written approval by the state supervisory agency if the applicant is a state-chartered credit union, and (3) documentation evidencing written permission from the host country to establish the branch that explicitly recognizes NCUA's authority to examine and take any enforcement actions,
