II. EA Summary

The NRC has prepared the EA to evaluate the potential environmental impacts of the excavation of four trenches at the project site. In accordance with Section 7 of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.), the NRC staff requested informal consultation with the United States Fish and Wildlife Service. No concerns were identified for Federally listed species or designated critical habitat. This project is temporary, minimally invasive, and will occur outside the critical nesting times for migratory birds.

The NRC determined that there will be no adverse effects to any historic or cultural resources that may be located at the Pritchett site.

The NRC has determined that there will be no significant impacts to any other resource areas (e.g., surface water, groundwater, air quality) as a result of the proposed trench excavations, followed by the backfilling of these trenches at the conclusion of the study.

III. Finding of No Significant Impact

On the basis of the EA, the NRC has concluded that there are no significant environmental impacts from the proposed work and has determined not to prepare an environmental impact statement. The EA and the associated FONSI are publicly available in ADAMS under Accession No. ML16257A012.

DATED at Rockville, Maryland this 15 day of September, 2016.

Applicants’ Representations

1. The Company was organized under Delaware law as a statutory trust for the purpose of operating as an externally-managed, non-diversified, closed-end management investment company. The Company is a registered investment company under the Act. The Company’s Objectives and Strategies are to seek long-term capital appreciation and the Company intends to allocate at least 80% of its assets to private equity-type investments sponsored or advised by Kohlberg Kravis Roberts & Co. L.P. (“Kohlberg Kravis Roberts”) or an affiliate of Kohlberg Kravis Roberts (collectively with its affiliates, “KKR”), including primary offerings and secondary acquisitions of interests in

1 “Objectives and Strategies” means a Regulated Entity’s (as defined below) investment objectives and strategies, as described in the Regulated Entity’s registration statement on Form N–2, other filings the Regulated Entity has made with the Commission under the Securities Act of 1933 (the “Securities Act”), or under the Securities Exchange Act of 1934, and the Regulated Entity’s reports to shareholders.
alternative investment funds that pursue private equity strategies and co-
investment opportunities in operating companies presented by such KKR
investment funds. The Company may at any time determine to allocate its assets to
investments not sponsored, issued by or otherwise linked to, KKR, or its
affiliates and to strategies and asset classes not representative of private equity. The Company has a five member
Board, which currently includes four persons who are not “interested persons” of the Company within the
meaning of section 2(a)(19) of the Act.
2. Altegris Advisors, L.L.C. is a Delaware limited liability company and is
registered with the Commission as an investment adviser under the
Investment Advisers Act of 1940 (the “Advisers Act”). Altegris Advisors,
L.L.C. serves as the investment adviser to the Company.
3. StepStone Group is a Delaware
limited partnership and is registered with the Commission as an investment
adviser under the Advisers Act. StepStone Group serves as the sub-
adviser to the Company.
4. Each Existing Affiliated Investor is a privately-offered fund that would be
an investment company but for section 3(c)(1) or 3(c)(7) of the Act. An Existing
StepStone Affiliated Adviser serves as the investment adviser to each Existing
Affiliated Investor. Each Existing
StepStone Affiliated Adviser either directly or indirectly controls, is
controlled by, or is under common control with StepStone Group, and is
registered as an investment adviser under the Advisers Act.
5. Applicants seek an order (“Order”) to permit one or more Regulated
Entities 3 and/or one or more Affiliated Investors 4 to participate in the same
Investment Transactions in lieu of its parent Regulated Entity and that the
Wholly-Owned Investment Subsidiary’s participation in any such transaction be
treated, for purposes of the requested Order, as though the parent Regulated
Entity were participating directly. Applicants represent that this treatment is
justified because a Wholly-Owned Investment Subsidiary would have no
purpose other than serving as a holding vehicle for the Regulated Entity’s
investments and, therefore, no conflicts of interest could arise between the
Regulated Entity and the Wholly-Owned Investment Subsidiary. The Regulated
Entity’s Board would make all relevant determinations under the conditions
with regard to a Wholly-Owned Investment Subsidiary’s participation in a
Co-Investment Transaction, and the Regulated Entity’s Board would be
informed of, and take into
consideration, any proposed use of a
Wholly-Owned Investment Subsidiary
in the Regulated Entity’s place. If the
Regulated Entity proposes to participate in the same Co-Investment Transaction
with any of its Wholly-Owned Investment Subsidiaries, the Board will
also be informed of, and take into
consideration, the relative participation of the Regulated Entity and the Wholly-
Owned Investment Subsidiary.
6. It is anticipated that the StepStone Affiliated Adviser recommends for a Regulated Entity
would also be appropriate investments for one or more other Regulated Entities and/or one or more Affiliated Investors
as Potential Co-Investment Transactions. Such a determination may result in the
Regulated Entity, one or more other Regulated Entities and/or one or more Affiliated Investors
in certain investment
opportunities. For each such investment opportunity, the Advisors to each
Regulated Entity will independently
analyze and evaluate the investment
opportunity as to its appropriateness for such Regulated Entity taking into
consideration the Regulated Entity’s Objectives and Strategies.
7. Applicants state that Altegris Advisors, L.L.C. serves as the
Company’s investment adviser and whether or not Altegris Advisor will
serve in the same capacity to any Future Regulated Entity, and that StepStone
Group serves as the Company’s sub-
adviser and either it or another
StepStone Affiliated Advisor will serve in the same capacity to any Future
Regulated Entity. Applicants state that although a StepStone Affiliated
Adviser will identify and recommend
investments for each Regulated Entity, prior to any investment by the Regulated Entity, the StepStone Affiliated Advisers will present each proposed investment to the relevant Altegris Advisor which has the authority to approve or reject all investments proposed for the Regulated Entity by a StepStone Affiliated Adviser.

9. Applicants state that StepStone Group has an investment committee through which it will carry out its obligation under condition 1 to make a determination as to the appropriateness of a Potential Co-Investment Transaction for each Regulated Entity. Applicants represent that each StepStone Affiliated Adviser has developed a robust allocation process as part of its overall compliance policies and procedures. Applicants state that, in the case of a Potential Co-Investment Transaction, the applicable StepStone Affiliated Adviser would apply its allocation policies and procedures in determining the proposed allocation for the Regulated Entity consistent with the requirements of condition 2(a).

10. Applicants state that, once the applicable StepStone Affiliated Adviser determined a proposed allocation for a Regulated Entity, such StepStone Affiliated Adviser would notify the applicable Altegris Advisor of the Potential Co-Investment Transaction and the StepStone Affiliated Adviser’s recommended allocation for such Regulated Entity. Applicants further state that the applicable Altegris Advisor would review the StepStone Affiliated Adviser’s recommendation for the Regulated Entity and would have the ability to ask questions of the StepStone Affiliated Adviser and request additional information from the StepStone Affiliated Adviser. Applicants further submit that if the applicable Altegris Advisor approved the investment for the Regulated Entity, the investment and all relevant allocation information would then be presented to the Regulated Entity’s Board for its approval in accordance with the conditions to the application. Applicants state that they believe the investment process that will unfold between the StepStone Affiliated Adviser and the Altegris Advisors, prior to seeking approval from the Regulated Entity’s Board (which is in addition to, rather than in lieu of, the procedures required under the conditions of the application), is significant and provides for additional procedures and processes to ensure that the Regulated Entity is being treated fairly in respect of Potential Co-Investment Transactions.

11. If the Advisors to a Regulated Entity determine that a Potential Co-Investment Transaction is appropriate for the Regulated Entity (and the applicable Altegris Advisor approves the investment for such Regulated Entity), and one or more other Regulated Entities and/or one or more Affiliated Investors may also participate, the Advisors will present the investment opportunity to the Eligible Trustees of the Regulated Entity prior to the actual investment by the Regulated Entity. As to any Regulated Entity, a Co-Investment Transaction will be consummated only upon approval by a required majority of the Eligible Trustees of such Regulated Entity within the meaning of section 57(o) of the Act (“Required Majority”).

12. With respect to the pro rata dispositions and follow-on investments provided in conditions 7 and 8, a Regulated Entity may participate in a pro rata disposition or follow-on investment without obtaining prior approval of the Required Majority if, among other things: (i) The proposed participation of each Regulated Entity and Affiliated Investor in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition or follow-on investment, as the case may be; and (ii) each Regulated Entity’s Board has approved that Regulated Entity’s participation in pro rata dispositions and follow-on investments as being in the best interests of the Regulated Entity. If the Board does not so approve, any such disposition or follow-on investment will be submitted to the Regulated Entity’s Eligible Trustees. The Board of any Regulated Entity may at any time rescind, suspend or qualify its approval of pro rata dispositions and follow-on investments with the result that all dispositions and/or follow-on investments must be submitted to the Eligible Trustees.

13. No Independent Trustee of a Regulated Entity will have a financial interest in any Co-Investment Transaction.

Applicants’ Legal Analysis

1. Section 17(d) of the Act and rule 17d–1 under the Act prohibit participation by a registered investment company and an affiliated person in any “joint enterprise or other joint arrangement or profit-sharing plan,” as defined in the rule, without prior approval by the Commission by order upon application. Section 17(d) of the Act and rule 17d–1 under the Act are applicable to Regulated Entities that are registered closed-end investment companies. Similarly, with regard to BDCs, section 57(a)(4) of the Act makes it unlawful for any person who is related to a BDC in a manner described in section 57(b), acting as principal, knowingly to effect any transaction in which the BDC (or a company controlled by such BDC) is a joint or a joint and several participant with that person in contravention of rules as prescribed by the Commission. Because the Commission has not adopted any rules expressly under section 57(a)(4), section 57(i) provides that the rules under section 17(d) applicable to registered closed-end investment companies (e.g., rule 17d–1) are, in the interim, deemed to apply to transactions subject to section 57(a). Rule 17d–1, as made applicable to BDCs by section 57(i), prohibits any person who is related to a BDC in a manner described in section 57(b), as modified by rule 57b–1, from acting as principal, from

7 Applicants represent that the Altegris Advisors will not source any Potential Co-Investment Transactions under the requested Order.

8 “Eligible Trustees” means the trustees or directors of a Regulated Entity that are eligible to vote under section 57(o) of the Act.

9 In the case of a Regulated Entity that is a registered closed-end fund, the trustees or directors that make up the Required Majority will be determined as if the Regulated Entity were a BDC subject to section 57(o). As defined in section 57(o), “required majority” means “both a majority of a business development company’s directors or general partners who have no financial interest in such transaction, plan, or arrangement and a majority of such directors or general partners who are not interested persons of such company.”
participating in, or effecting any transaction in connection with, any joint enterprise or other joint arrangement or profit-sharing plan in which the BDC (or a company controlled by such BDC) is a participant, unless an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order entered prior to the submission of the plan or any modification thereof, to security holders for approval, or prior to its adoption or modification if not so submitted.

2. In passing upon applications under rule 17d–1, the Commission considers whether the company’s participation in the joint transaction is consistent with the provisions, policies, and purposes of the Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

3. Applicants state that the Regulated Entities, by virtue of each having an Altegris Advisor, may be deemed to be under common control, and thus affiliated persons of each other under section 2(a)(3)(C) of the Act. Section 17(d) and section 57(b) apply to any investment adviser to a closed-end fund or a BDC, respectively, including the sub-adviser. Thus, a StepStone Affiliated Adviser and any Affiliated Investors that it advises could be deemed to be persons related to Regulated Entities in a manner described by sections 17(d) and 57(b) and therefore prohibited by sections 17(d) and 57(b) from participating in the Co-Investment Program. Applicants further submit that, because the StepStone Affiliated Advisers are “affiliated persons” of other StepStone Affiliated Advisers, Affiliated Investors advised by any of them could be deemed to be persons related to Regulated Entities (or a company controlled by a Regulated Entity) in a manner described by sections 17(d) and 57(b) and also prohibited from participating in the Co-Investment Program.

4. Applicants state that they expect that that co-investment in portfolio investments by a Regulated Entity, one or more other Regulated Entities and/or one or more Affiliated Investors will increase favorable investment opportunities for each Regulated Entity.

5. Applicants submit that the fact that the Required Majority will approve each Co-Investment Transaction before investment (except for certain dispositions or follow-on investments, as described in footnotes), and other protective conditions set forth in the application, will ensure that each Regulated Entity will be treated fairly. Applicants state that each Regulated Entity’s participation in the Co-Investment Transactions will be consistent with the provisions, policies and purposes of the Act and on a basis that is not different from or less advantageous than that of other participants. Applicants further state that the terms and conditions proposed herein will ensure that all such transactions are reasonable and fair to each Regulated Entity and the Affiliated Investors and do not involve overreaching by any person concerned, including Altegris Advisors or the StepStone Affiliated Advisers.

Applicants’ Conditions

Applicants agree that the Order will be subject to the following conditions:

1. Each time a StepStone Affiliated Adviser considers a Potential Co-Investment Transaction for an Affiliated Investor or another Regulated Entity that falls within a Regulated Entity’s then-current Objectives and Strategies, the Advisors to the Regulated Entity will make an independent determination of the appropriateness of the investment for the Regulated Entity in light of the Regulated Entity’s then-current circumstances.

2. a. If the Advisors to a Regulated Entity deem participation in any Potential Co-Investment Transaction to be appropriate for the Regulated Entity, the Advisors will then determine an appropriate level of investment for such Regulated Entity.

b. If the aggregate amount recommended by the Advisors to a Regulated Entity to be invested by the Regulated Entity in the Potential Co-Investment Transaction, together with the amount proposed to be invested by the other participating Regulated Entities and Affiliated Investors, collectively, in the same transaction, exceeds the amount of the investment opportunity, the amount of the investment opportunity will be allocated among the Regulated Entities and such Affiliated Investors, pro rata based on each participant’s Available Capital for investment in the asset class being allocated, up to the amount proposed to be invested by each. The Advisors to each participating Regulated Entity will provide the Eligible Trustees of each participating Regulated Entity with information concerning each participating party’s Available Capital to assist the Eligible Trustees with their review of the Regulated Entity’s investments for compliance with these allocation procedures.

c. After making the determinations required in conditions 1 and 2(a) above, the Advisors to the Regulated Entity will distribute written information concerning the Potential Co-Investment Transaction, including the amount proposed to be invested by each Regulated Entity and any Affiliated Investor, to the Eligible Trustees of each participating Regulated Entity for their consideration. A Regulated Entity will co-invest with one or more other Regulated Entities and/or an Affiliated Investor only if, prior to the Regulated Entities’ and the Affiliated Investors’ participation in the Potential Co-Investment Transaction, a Required Majority concludes that:

(i) The terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair to the Regulated Entity and its shareholders and do not involve overreaching in respect of the Regulated Entity or its shareholders on the part of any person concerned;

(ii) the Potential Co-Investment Transaction is consistent with:

(A) The interests of the Regulated Entity’s shareholders; and

(B) the Regulated Entity's then-current Objectives and Strategies;

(iii) the investment by any other Regulated Entity or an Affiliated Investor would not disadvantage the Regulated Entity, and participation by the Regulated Entity would not be on a basis different from or less advantageous than that of any other Regulated Entity or Affiliated Investor; provided, that if another Regulated Entity or Affiliated Investor, but not the Regulated Entity itself, gains the right to nominate a director for election to a portfolio company’s board of directors or the right to have a board observer, or any similar right to participate in the governance or management of the portfolio company, such event shall not be interpreted to prohibit a Required Majority from reaching the conclusions required by this condition 2(c)(iii), if:

by the Affiliated Investor’s directors, general partners or adviser or imposed by applicable laws, rules, regulations or interpretations.

(A) The Eligible Trustees will have the right to ratify the selection of such director or board observer, if any; and
(B) the Advisors to the Regulated Entity agree to, and do, provide periodic reports to the Regulated Entity’s Board with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and
(C) any fees or other compensation that any other Regulated Entity or any Affiliated Investor or any affiliated person of any other Regulated Entity or an Affiliated Investor receives in connection with the right of one or more Regulated Entities or Affiliated Investors to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Affiliated Investors (who may, in turn, share their portion with their affiliated persons) and any participating Regulated Entity in accordance with the amount of each party’s investment; and
(iv) the proposed investment by the Regulated Entity will not benefit the Advisors, any other Regulated Entity or the Affiliated Investors or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by condition 13, (B) to the extent permitted under sections 17(e) and 57(k) of the Act, as applicable, (C) in the case of fees or other compensation described in condition 2(c)(iii)(C), or (D) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction.
3. Each Regulated Entity will have the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.
4. The Advisors will present to the Board of each Regulated Entity, on a quarterly basis, a record of all investments by a Regulated Entity in issuers in a quarter preceding the disposition; (ii) the Regulated Entity and each Affiliated Investor in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
(ii) formulate a recommendation as to participation by each Regulated Entity in the disposition.
5. Except for follow-on investments made in accordance with condition 8.11 a Regulated Entity will not invest in reliance on the Order in any issuer in which another Regulated Entity or an Affiliated Investor or any affiliated person of another Regulated Entity or an Affiliated Investor is an existing investor.
6. A Regulated Entity will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for each participating Regulated Entity and Affiliated Investor. The grant to one or more Regulated Entities or Affiliated Investors, but not the Regulated Entity itself, of the right to nominate a director for election to a portfolio company’s board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.
7. a. If any Regulated Entity or Affiliated Investor elects to sell, exchange or otherwise dispose of an interest in a security that was acquired by one or more Regulated Entities and/or Affiliated Investors in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
(ii) formulate a recommendation as to participation by each Regulated Entity in the disposition.
7. b. Each Regulated Entity will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the Affiliated Investors and any other Regulated Entity.
8. a. If any Regulated Entity or Affiliated Investor desires to make a “follow-on investment” (i.e., an additional investment in the same entity, including through the exercise of warrants or other rights to purchase securities of the issuer) in a portfolio company whose securities were acquired by the Regulated Entity and the Affiliated Investor in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity of the proposed transaction at the earliest practical time; and
(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed follow-on investment, by each Regulated Entity.
b. A Regulated Entity may participate in such follow-on investment without obtaining prior approval of the Required Majority if: (i) The proposed participation of each Regulated Entity and each Affiliated Investor in such investment is proportionate to its outstanding investments in the issuer immediately preceding the follow-on investment; and (ii) the Regulated Entity’s Board has approved as being in the best interests of such Regulated Entity the ability to participate in follow-on investments on a pro rata basis (as described in greater detail in the application). In all other cases, the Advisors will provide their written recommendation as to such Regulated Entity’s participation to the Eligible Trustees, and the Regulated Entity will participate in such disposition solely to the extent that a Required Majority determines that it is in such Regulated Entity’s best interests.
c. If, with respect to any follow-on investment:
(i) The amount of a follow-on investment is not based on the Regulated Entities’ and the Affiliated Investors’ outstanding investments.

11This exception applies only to follow-on investments by a Regulated Entity in issuers in which Regulated Entity already holds investments.

(A) The Eligible Trustees will have the right to ratify the selection of such director or board observer, if any; and
(B) the Advisors to the Regulated Entity agree to, and do, provide periodic reports to the Regulated Entity’s Board with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and
(C) any fees or other compensation that any other Regulated Entity or any Affiliated Investor or any affiliated person of any other Regulated Entity or an Affiliated Investor receives in connection with the right of one or more Regulated Entities or Affiliated Investors to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Affiliated Investors (who may, in turn, share their portion with their affiliated persons) and any participating Regulated Entity in accordance with the amount of each party’s investment; and
(iv) the proposed investment by the Regulated Entity will not benefit the Advisors, any other Regulated Entity or the Affiliated Investors or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by condition 13, (B) to the extent permitted under sections 17(e) and 57(k) of the Act, as applicable, (C) in the case of fees or other compensation described in condition 2(c)(iii)(C), or (D) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction.
3. Each Regulated Entity will have the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.
4. The Advisors will present to the Board of each Regulated Entity, on a quarterly basis, a record of all investments by a Regulated Entity in issuers in a quarter preceding the disposition; (ii) the Regulated Entity and each Affiliated Investor in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
(ii) formulate a recommendation as to participation by each Regulated Entity in the disposition.
5. Except for follow-on investments made in accordance with condition 8,11 a Regulated Entity will not invest in reliance on the Order in any issuer in which another Regulated Entity or an Affiliated Investor or any affiliated person of another Regulated Entity or an Affiliated Investor is an existing investor.
6. A Regulated Entity will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for each participating Regulated Entity and Affiliated Investor. The grant to one or more Regulated Entities or Affiliated Investors, but not the Regulated Entity itself, of the right to nominate a director for election to a portfolio company’s board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.
7. a. If any Regulated Entity or Affiliated Investor elects to sell, exchange or otherwise dispose of an interest in a security that was acquired by one or more Regulated Entities and/or Affiliated Investors in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
(ii) formulate a recommendation as to participation by each Regulated Entity in the disposition.
7. b. Each Regulated Entity will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the Affiliated Investors and any other Regulated Entity.
8. a. If any Regulated Entity or Affiliated Investor desires to make a “follow-on investment” (i.e., an additional investment in the same entity, including through the exercise of warrants or other rights to purchase securities of the issuer) in a portfolio company whose securities were acquired by the Regulated Entity and the Affiliated Investor in a Co-Investment Transaction, the Advisors will:
(i) Notify each Regulated Entity of the proposed transaction at the earliest practical time; and
(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed follow-on investment, by each Regulated Entity.
b. A Regulated Entity may participate in such follow-on investment without obtaining prior approval of the Required Majority if: (i) The proposed participation of each Regulated Entity and each Affiliated Investor in such investment is proportionate to its outstanding investments in the issuer immediately preceding the follow-on investment; and (ii) the Regulated Entity’s Board has approved as being in the best interests of such Regulated Entity the ability to participate in follow-on investments on a pro rata basis (as described in greater detail in the application). In all other cases, the Advisors will provide their written recommendation as to such Regulated Entity’s participation to the Eligible Trustees, and the Regulated Entity will participate in such disposition solely to the extent that a Required Majority determines that it is in such Regulated Entity’s best interests.
c. If, with respect to any follow-on investment:
(i) The amount of a follow-on investment is not based on the Regulated Entities’ and the Affiliated Investors’ outstanding investments.
immediately preceding the follow-on investment; and
(ii) the aggregate amount recommended by the Advisors to be
invested by the Regulated Entity in the follow-on investment, together with the
amount proposed to be invested by the other participating Regulated Entities
and the Affiliated Investors in the same transaction, exceeds the amount of the
opportunity; then the amount invested by each such party will be allocated
among them pro rata based on each participant’s Available Capital for
investment in the asset class being allocated, up to the amount proposed to be
invested by each.

d. The acquisition of follow-on investments as permitted by this
condition will be considered a Co-Investment Transaction for all purposes
and be subject to the other conditions set forth in the application.

9. The Independent Trustees of each Regulated Entity will be provided
quarterly for review all information concerning Potential Co-Investment
Transactions and Co-Investment Transactions, including investments
made by other Regulated Entities or Affiliated Investors that a Regulated
Entity considered but declined to participate in, so that the Independent
Trustees may determine whether all investments made during the preceding
quarter, including those investments which the Regulated Entity considered
but declined to participate in, comply with the conditions of the Order. In
addition, the Independent Trustees will consider at least annually the continued
appropriateness for such Regulated Entity of participating in new and
existing Co-Investment Transactions.

10. Each Regulated Entity will maintain the records required by section
57(f)(3) of the Act as if each of the
Regulated Entities were a BDC and each of the investments permitted under
these conditions were approved by a
Required Majority under section 57(f).

11. No Independent Trustee of a
Regulated Entity will also be a trustee, director, general partner, managing
member or principal, or otherwise an
“affiliated person” (as defined in the Act) of any Affiliated Investor.

12. The expenses, if any, associated with acquiring, holding or disposing of
any securities acquired in a Co-Investment Transaction (including,
without limitation, the expenses of the distribution of any such securities
registered for sale under the Securities Act) shall, to the extent not payable by
the Advisors under their respective
advisory agreements with the Regulated Entities and the Affiliated Investors, be
shared by the Regulated Entities and the
Affiliated Investors in proportion to the relative amounts of the securities held
or to be acquired or disposed of, as the case may be.

13. Any transaction fee (including
break-up or commitment fees but
excluding brokers’ fees contemplated by
section 17(e) or 57(k) of the Act, as applicable) received in connection
with a Co-Investment Transaction will be distributed to the participating
Regulated Entities and Affiliated
Investors on a pro rata basis based on
the amount they invested or committed,
as the case may be, in such Co-
Investment Transaction. If any
transaction fee is to be held by an
Advisor pending consummation of the
transaction, the fee will be deposited
into an account maintained by the
Advisor at a bank or banks having the
qualifications prescribed in section
26(a)(1) of the Act, and the account will
earn a competitive rate of interest that
will also be divided pro rata among the
participating Regulated Entities and
Affiliated Investors based on the amount
they invest in the Co-Investment Transaction. None of the other
Regulated Entities, Affiliated Investors, the Advisors nor any affiliated person of
the Regulated Entities or the Affiliated
Investors will receive additional
compensation or remuneration of any
