SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established.

Clark Lake and Lake Ottawa group picnic sites are fully enclosed buildings that each hold up to 75 people. Both have recently been renovated with Clark Lake receiving new bathrooms and showers, and Lake Ottawa receiving updates to the water and wastewater systems.

Black River picnic area is a public access point for boaters to Lake Superior and is one of the most highly visited sites on the Forest. It has received a renovation to its water and wastewater systems with a renovation of the pavilion to be completed in 2016.

The day use fee for Camp Nesbit would cover use of the dining hall, recreation hall, beach, restroom and shower facilities, and archery range. Season dates for Camp Nesbit vary annually based on use and weather conditions, but generally range from mid-April through mid-October. Once public involvement is complete, these new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

Dated: September 21, 2016.

Title

Rural Housing Service

Notice of Intent To Give Fourth Funding Priority to Loan Application Packages Received via an Intermediary Under the Certified Loan Application Packaging Process Within the Section 502 Direct Single Family Housing Program

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: On May 19, 2016, the final rule for the certified loan application packaging process for the direct single family housing loan program became effective. See 80 FR 23673 (April 29, 2015) and 81 FR 8389 (February 19, 2016). The Administrator has the ability to temporarily reclassify applications received through the certified loan application packaging process as fourth funding priority when funds are insufficient to serve all program-eligible applicants, when determined appropriate. See 7 CFR 3550.55(c)(5).

In accordance with this regulatory allowance, the Administrator will grant fourth funding priority to loan application packages received via an Agency-approved intermediary when funds are insufficient to serve all program-eligible applicants. This reclassification will remain in effect until further notice via **Federal Register** notice. This reclassification does not apply to certified packaging bodies working without an intermediary.

DATES: This funding priority reclassification for loan application packages received via an Agency-approved intermediary is effective on September 27, 2016.

FOR FURTHER INFORMATION CONTACT: Tammy Repine, Finance and Loan Analyst, Single Family Housing Direct Loan Division, USDA Rural Development, 3625 93rd Avenue SW., Olympia, Washington 98512, Telephone: 360-753-7677. Email: tammy.repine@wdc.usda.gov.

SUPPLEMENTARY INFORMATION: This action is deemed appropriate since the activities performed by the Agency-

approved intermediaries (e.g. quality assurance reviews on packaged loan applications; recruitment of certified packaging bodies; and supplemental training, technical assistance, and support to certified packaging bodies) enhance the work and goals of the Agency and benefit the low- and very low-income people who wish to achieve homeownership in rural areas by increasing awareness of the Agency's housing program, increasing specialized support available to complete the application for assistance, and improving the quality of loan application packages.
