##### Background

The FHWA provides financial aid (Federal-aid) to States for the construction, maintenance and operation of highway transportation facilities that are primarily on the National Highway System (NHS). The NHS consists of highways important to the Nation's economy, defense, and mobility, including the Interstate System.

States that receive Federal-aid for their NHS highway facilities or who wish to maintain eligibility to receive it must adhere to applicable Federal statutes and regulations. Section 111, of Title 23, United States Code, and 23 CFR 752.5 prohibit over the counter sales of merchandise in rest areas located on the Interstate. Allowable commercial activity in rest areas on the Interstate System includes:

- Installation of commercial advertising and media displays, if such advertising and displays are exhibited solely within any facility constructed in the rest area and are not legible from the main traveled way;
- sale of items designed to promote tourism in the State, limited to books, DVDs, and other media;
- sale of tickets for events or attractions in the State of a historical or tourism-related nature;
