## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On September 28, 2016, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of Columbia in the lawsuit entitled *United States v. Anthony Spanos, Inc., et al.*, Civil Action No. 1:14-cv-01625-RJL.

The United States filed this lawsuit under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"). The United States' complaint names Anthony Spanos, Inc., George A. Spanos, in his capacity as the trustee of the George A. Spanos Living Trust, and Gus Dinos as defendants. The United States' complaint seeks recovery of costs incurred and to be incurred by the Environmental Protection Agency in connection with the removal of hazardous substances at the Georgia Avenue PCE Site, located in Northwest Washington, DC. The consent decree resolves the United States' claims against George A. Spanos and does not resolve the United States' claims against Anthony Spanos, Inc. and Gus Dinos. George A. Spanos agrees to pay \$125,000 of the United States' response costs and to perform the operation and maintenance of sub-slab depressurization systems at the Site. In return, the United States agrees not to sue George A. Spanos under sections 106 and 107 of CERCLA.
