SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) is the federal agency responsible for administration of the War Hazards Compensation Act (WHCA), 42 U.S.C. 1701 *et seq.* Under section 1704(a) of the WHCA, an insurance carrier or self-insured who has paid workers' compensation benefits to or on account of any person for a war-risk hazard may seek reimbursement for benefits paid (plus expenses) out of the Employment Compensation Fund for the Federal Employees' Compensation Act (FECA) at 5 U.S.C. 8147. Form CA–278 is used by insurance carriers and the self-insured to request reimbursement. The information collected is used by OWCP staff to process requests for reimbursement of WHCA benefit payments and claims expense that are submitted by insurance carriers and self-insureds. The information is also used by OWCP to decide whether it should opt to pay ongoing WHCA benefits directly to the injured worker. This information collection is currently approved for use through December 31, 2016.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- * enhance the quality, utility and clarity of the information to be collected; and
