

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.²³ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For assessment purposes, the Department applied the assessment rate calculation method adopted in *Assessment Rate Modification*.²⁴ For any individually examined respondent whose weighted average dumping margin is above *de minimis* (i.e., 0.50 percent) in the final results of this review, the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific *ad valorem* rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation.²⁵ Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁶ For the respondents that were not selected for individual examination in this administrative review and that qualified for a separate rate, the assessment rate will be based on the average of the mandatory respondents.²⁷

Pursuant to the Department's practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during the administrative review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, if the Department determines that an exporter had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (i.e., at that exporter's rate) will be liquidated at the PRC-wide rate.²⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: October 5, 2016.

Certain Oil Country Tubular Goods From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from SEAH Steel VINA Corporation (SSV), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty (AD) order on certain oil country tubular goods (OCTG) from the Socialist Republic of Vietnam (Vietnam) for the period (POR) February 25, 2014, through August 31, 2015. The Department preliminarily determines that SSV did not sell subject merchandise in the United States at prices below normal value (NV) during the period of review (POR). Interested parties are invited to comment on these preliminary results.

DATES: Effective October 14, 2016.

FOR FURTHER INFORMATION CONTACT: Fred Baker, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone 202-482-2924.

SUPPLEMENTARY INFORMATION:

Background

On November 9, 2015, the Department initiated an administrative review of the

antidumping order¹ on OCTG from Vietnam.² Between November 2015 and June 2016, the Department sent AD questionnaires and supplemental questionnaires to SSV, to which SSV responded in a timely manner. As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government.³ Accordingly, all deadlines in this segment of the proceeding have been extended by four business days. On June 6, 2016, the Department partially extended the deadline for issuing the preliminary results until September 21, 2016.⁴ On September 20, 2016, the Department fully extended the deadline for issuing the preliminary results until October 5, 2016.⁵

Scope of the Order

The merchandise covered by the order is certain oil country tubular goods (OCTG).

While the HTSUS subheadings above are provided for convenience and customs purposes, the written description is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.⁶

Methodology

The Department conducted this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act). Constructed export prices have been calculated in accordance with section 772(b) of the Act. Because Vietnam is a non-market economy (NME) within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary

Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Application of Separate Rates in NME Proceedings

In the *Initiation Notice*, the Department notified parties of the application process by which exporters may obtain separate rate status in an NME proceeding.⁷ It is the Department's policy to assign all exporters of the merchandise subject to review in NME countries a single rate unless an exporter can affirmatively demonstrate an absence of government control, both in law (*de jure*) and in fact (*de facto*), with respect to exports. To establish whether a company is sufficiently independent to be entitled to a separate, company-specific rate, the Department analyzes each exporting entity in an NME country under the test established in *Sparklers*,⁸ as further developed by *Silicon Carbide*.⁹ However, if the Department determines that a company is wholly foreign-owned, then an analysis of the *de jure* and *de facto* criteria is not necessary to determine whether it is independent from government control.¹⁰

Vietnam-Wide Entity

The Department's policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.¹¹ Under this policy, the

Vietnam-wide entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity in this review, the entity is not under review and the entity's rate (*i.e.*, 111.47 percent)¹² is not subject to change.

Preliminary Results of Review

The Department preliminarily determines that the following weighted-average dumping margin exists for the period February 25, 2014, through August 31, 2015:

Exporter	Weighted-average margin (percent)
SeAH Steel VINA Corporation	0.00

Disclosure, Public Comment, and Opportunity To Request a Hearing

The Department will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Interested parties may submit case briefs within 30 days after the date of publication of these preliminary results of review in the **Federal Register**.¹³ Rebuttals to case briefs, which must be limited to issues raised in the case briefs, may be filed within five days after the time limit for filing case briefs.¹⁴ Parties who submit arguments are requested to submit with the argument: (a) A statement of the issue, (b) a brief summary of the argument, and (c) a table of authorities.¹⁵ Parties submitting briefs should do so pursuant to the Department's electronic filing system, ACCESS.¹⁶

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, the Department

intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.¹⁷ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

The Department intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁸ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For assessment purposes, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*.¹⁹ For any individually examined respondent whose weighted average dumping margin is above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific *ad valorem* rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation.²⁰ Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²¹

¹⁹ See *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012) in the manner described in more detail in the Preliminary Decision Memorandum.

²⁰ See 19 CFR 351.212(b)(1).

²¹ See 19 CFR 351.106(c)(2).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from the Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the Vietnamese-wide entity; and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied that non-Vietnamese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 5, 2016.

Certain Oil Country Tubular Goods From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain oil country tubular goods (OCTG) from the Republic of Korea (Korea). The period of review (POR) is July 18, 2014, through August 31, 2015. The Department preliminarily determines that the producers or exporters subject to the review, including the mandatory respondents NEXTEEL Co. Ltd. (NEXTEEL) and SeAH Steel Corporation (SeAH), made sales of subject merchandise at less than normal value. We invite interested parties to comment on these preliminary results.

DATES: Effective October 14, 2016.

FOR FURTHER INFORMATION CONTACT: Victoria Cho or Deborah Scott, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5075 or (202) 482-2657, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 1, 2015, we published in the *Federal Register* a notice of opportunity to request an administrative review of the order.¹ As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll all

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 80 FR 52741 (September 1, 2015).

administrative deadlines by four business days due to the closure of the Federal Government during Snowstorm Jonas.² On February 12, 2016, we selected as mandatory respondents the two exporters or producers accounting for the largest volume of OCTG from Korea during the POR (*i.e.*, in alphabetical order, NEXTEEL and SeAH).³ On May 31, 2016, we fully extended the preliminary results by 120 days.⁴

Scope of the Order

The merchandise covered by the order is certain OCTG, which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (*e.g.*, whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the order also covers OCTG coupling stock. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.⁵

Methodology

The Department is conducting this administrative review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The

The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix 1 to this notice.

Preliminary Determination of No Shipments

Among the companies under review, certain companies properly filed statements reporting that they made no shipments of subject merchandise to the United States during the POR.⁶ Based on the certifications submitted by these companies and our analysis of information from U.S. Customs and Border Protection (CBP), we preliminarily determine that the following companies had no shipments during the POR: Hyundai Glovis, Hyundai Mobis, Hyundai RB, Kolon Global, POSCO Plantec, and Samsung C&T Corporation.

For a full explanation of the Department's analysis, see the Preliminary Decision Memorandum. The Department finds that it is not appropriate to preliminarily rescind the review with respect to these companies but, rather, intends to complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.

⁶ See Letter from Hyundai Steel Company to the Department (certifying that its affiliates Hyundai Glovis, Hyundai Mobis, and Hyundai RB had no exports, sales or entries of subject merchandise to the United States during the POR), dated December 9, 2015; Letter from Kolon Global to the Department, dated December 9, 2015; Letter from POSCO Plantec to the Department, dated December 9, 2015; and Letter from Samsung C&T Corporation to the Department, dated December 9, 2015. One other company, POSCO Processing & Service Co., Ltd., submitted a letter stating that it had no exports, sales or entries of subject merchandise to the United States during the POR. See Letter from POSCO Processing & Service Co., Ltd. to the Department, dated December 9, 2015. However, no company with this specific name was listed in the *Initiation Notice*.
