Title: Refugee Microenterprise and Refugee Home-Based Child Care Microenterprise Development Programs
OMB No.: New
Description: The Office of Refugee Resettlement (ORR) within the Administration for Children and Families (ACF) is responsible for resettling thousands of refugees every year from all over the world. The main goal of the ORR (US) refugee domestic resettlement program is to assist the refugees in becoming self-reliant at the shortest time possible. ORR has many different discretionary grants that it employs to accomplish this goal. Two of the discretionary grants are the Refugee Microenterprise Development (MED) and the Refugee Home-Based Child Care

Microenterprise Development (HBCC MED) Programs. The goals of the MED program are to assist refugees in becoming economically self-sufficient, assist refugee serving organizations galvanize resources to strengthen their capacities to expand and continue their microenterprise services at an expanded and sustainable level, and enhance the integration to the mainstream and realize the American Dream. The focus of the HBCC Program is on women that have limited opportunity to get employment at livable wages because of limited transferable skills and lack of knowledge of the English language. Through the program women refugees are provided basic training in child care and development, state and local legal requirements to get a license and to establish a home-based child care service. The ultimate goal of the program is to enable the women refugees establish a home-based child care service in their neighborhood.

ORR works with nonprofit organizations in implementing these projects. Currently, there are 22 projects in the Refugee Microenterprise Development Program and 23 projects in the Refugee Home-Based Child Care Microenterprise Development Program. It is critical to collect data through a semi-annual report in order to determine whether or not the programs are achieving their intended goals, to address concerns, issues, and challenges
