SUPPLEMENTARY INFORMATION:

Title: Information on Meetings with Outside Parties Pursuant to Executive Order 12866.

Abstract: Executive Order 12866, "Regulatory Planning and Review," issued by President Clinton on September 30, 1993, establishes and governs the process under which OIRA reviews agency draft and proposed final regulatory actions. Consistent with the disclosure provisions of Executive Order 12866, OIRA provides information about its work related to regulatory reviews on Reginfo.gov at www.Reginfo.gov and on OIRA's Web site at <https://www.whitehouse.gov/omb/oir>. OIRA makes public all substantive communications with any party outside the Executive Branch concerning regulatory actions under review. If the OIRA Administrator or his/her designee meets with outside parties during a review, the subject, date, and participants of the meeting are disclosed on the Reginfo.gov Web site, as well as any materials distributed at such meetings.

These meetings occur at the initiative and request of an outside party. Any member of the public may request a meeting about a regulatory action under OIRA review, and may invite other outside parties to attend. OIRA's role in these meetings is limited to listening to feedback on the regulation under review. In accordance with Executive Order 12866, OIRA invites representatives from the agency or agencies issuing the regulatory action. OIRA and agency staff may ask clarifying questions, but do not take

minutes. OIRA does, however, post on RegInfo.gov any written materials provided by outside parties, including the initial meeting request.

To ensure transparency associated with meetings pursuant to Executive Order 12866, OIRA will collect—and then post publicly—the following information, which outside parties must provide, to request a meeting with OIRA to present their views on a regulatory action currently under review:

1. Name of the organization requesting the meeting.
2. Name of the organization's client or who the organization is representing at the meeting (if applicable).
3. The name of the regulatory action on which the party would like to present its views.
4. The Regulatory Identification Number (RIN) of the regulatory action on which the party would like to present its views.

When outside parties arrive for their meeting with OIRA they will then need to provide the following information in-person:

1. The full names of all attendees present at the meeting, and for each attendee:
 - a. The name of the organization each attendee is affiliated with; and
 - b. the attendee's client or who the attendee is representing (if applicable).
2. Copies of all briefing materials used during the presentation that will be given to OIRA for consideration.

All information submitted to OIRA pursuant to this collection will be made publicly available at Reginfo.gov.

This effort will streamline the current process for outside parties when requesting a meeting and will ensure transparency and accuracy of the docket that OIRA keeps in accordance with the disclosure provisions of Executive Order 12866. OIRA welcomes any and all public comments on the proposed collection of information such as the accuracy of OIRA's burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that should be collected from meeting requestors to further the disclosure provisions of Executive Order 12866.
