### SECURITIES AND EXCHANGE COMMISSION

**Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Regarding to the Content Outline for the Series 9/10 Examination Program**

February 4, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act” or “Exchange Act”) and Rule 19b–4 thereunder, notice is hereby given that on January 22, 2016, the Municipal Securities Rulemaking Board (the “MSRB” or “Board”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The MSRB has designated the proposed rule change as “constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule” under Section 19(b)(3)(A)(i) of the Act and Rule 19b–4 thereunder, which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission proposed revisions to the content outline for the Municipal Securities Sales Principal (Series 9/10) examination program (the “proposed rule change”). The MSRB proposes to implement the revised Series 9/10 examination program on March 7, 2016. The proposed revisions update the material to reflect changes to the laws, rules and regulations covered by the examination and to incorporate the functions and associated tasks currently performed by a Municipal Securities Sales Principal. In addition, the Board is proposing to make changes to the format of the content outline. The MSRB is not proposing in this filing any textual change to its rules.5

---

arrangement of the subject matter in the content outline reflects the various job functions typically performed within a dealer by an individual with that qualification. The MSRB periodically reviews the content outline for each examination to determine whether revisions are necessary or appropriate in view of changes pertaining to the subject matter covered by the examination.7

MSRB Rule G–3(c) defines an individual associated with a dealer whose supervisory activities with respect to municipal securities are limited exclusively to supervising sales to and purchases from customers of municipal securities as a Municipal Securities Sales Principal. Pursuant to MSRB Rule G–3(c), every Municipal Securities Sales Principal is required to take and pass the General Securities Sales Supervisor Qualification Examination prior to acting in such capacity.8

In consultation with a committee of industry representatives and FINRA, the MSRB participated in a review of the Series 9/10 examination program. As a result of this review, the MSRB is proposing to make revisions to the content outline to reflect changes to the laws, rules and regulations covered by the examination and to incorporate the functions and associated tasks performed by a Municipal Securities Sales Principal.

Current Content Outline

The current content outline is divided into six sections. The following are the six sections and the number of questions associated with each of the sections, denoted Section 1 through Section 6:

1. Hiring, Qualifications, and Continuing Education, 9 questions;
2. Supervision of Accounts and Sales Activities, 94 questions;
3. Conduct of Associated Persons, 14 questions;
4. Recordkeeping Requirements, 8 questions;
5. Municipal Securities Regulation, 20 questions;
6. Options Regulation, 55 questions.

Each section also includes the applicable laws, rules and regulations associated with that section. The current content outline also includes a preface (addressing, among other things, the purpose, administration and scoring of the examination), sample questions and reference materials.

Proposed Revisions

The MSRB is proposing to divide the content outline into two parts with eight major job functions that are performed by a Municipal Securities Sales Principal. The following are the two parts, each with four major job functions, denoted as Parts 1 and 2 with Function 1 through Function 4, respectively, with the associated number of questions:

Part 1:

Function 1: Supervise Associated Persons and Personnel Management Activities, 28 questions;
Function 2: Supervise the Opening and Maintenance of Customer Accounts, 49 questions;
Function 3: Supervise Sales Practices and General Trading Activities, 52 questions;
Function 4: Supervise Communications with the Public, 16 questions.

Part 2:

Function 1: Supervise the Opening and Maintenance of Customer Options Accounts, 18 questions;
Function 2: Supervise Sales Practices and General Options Trading Activities, 19 questions;
Function 3: Supervise Options Communications, 5 questions;
Function 4: Supervise Associated Persons and Personnel Management Activities, 13 questions.

The MSRB is proposing to adjust the number of questions assigned to each major job function to ensure that the overall examination better reflects the key tasks performed by a Municipal Securities Sales Principal. The allocation of questions on the revised Series 9/10 examination will place greater emphasis on key tasks such as supervision of registered persons, sales practices and compliance. Each function also includes specific tasks describing activities associated with performing that function. In Part 1, there are five tasks (1.1–1.5) associated with Function 1; four tasks (2.1–2.4) associated with Function 2; five tasks (3.1–3.5) associated with Function 3; and four tasks (4.1–4.4) associated with Function 4. In Part 2, there are three tasks (1.1–1.3) associated with Function 1; four tasks (2.1–2.4) associated with Function 2; three tasks (3.1–3.3) associated with Function 3; and one task (4.1) associated with Function 4. Further, the content outline lists the knowledge required to perform each function and associated tasks (e.g., types of retail communications, required approvals).

7 On occasion, this review may be conducted in coordination with FINRA or other self-regulatory organizations.

8 The General Securities Sales Principal is defined in NASD Rule 1022(g).
Availability of the Content Outline

The revised Series 9/10 content outline will replace the current content outline on FINRA’s Web site.9

2. Statutory Basis

The MSRB believes that the proposed rule change is consistent with the provisions of Section 15B(b)(2)(A) of the Act,10 which authorizes the MSRB, in part, to prescribe for associated persons of dealers “standards of training, experience, competence, and such other qualifications as the Board finds necessary or appropriate in the public interest or for the protection of investors and municipal entities or obligated persons.”

The MSRB believes that the proposed rule change is consistent with the provisions of Section 15B(b)(2)(A) of the Act in that the revisions will ensure that certain key concepts and rules are tested on the Series 9/10 in order to test the competency of individuals seeking to qualify as Municipal Securities Sales Principals with respect to their knowledge of MSRB rules and the municipal securities market.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The MSRB does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The updated Series 9/10 content outline aligns with the functions and associated tasks currently performed by a Municipal Securities Sales Principal and tests knowledge of the most current laws, rules, and regulations and skills relevant to those functions and associated tasks. As such, the proposed rule change would make the examinations more efficient and effective.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act12 and paragraph (f)(1) of Rule 19b–4 thereunder.13 At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
