awards made to a joint venture, a joint venture must be in writing and must do business under its own name; must be identified as a joint venture in the System for Award Management (SAM); may be in the form of a formal or informal partnership or exist as a separate limited liability company or other separate legal entity; and, if it exists as a formal separate legal entity, may not be populated with individuals intended to perform contracts awarded to the joint venture (i.e., the joint venture may have its own separate employees to perform administrative functions, but may not have its own separate employees to perform contracts awarded to the joint venture). SBA may also determine that the relationship between a prime contractor and its subcontractor is a joint venture, and that affiliation between the two exists, pursuant to paragraph (b)(5) of this section. For purposes of this paragraph (b), contract refers to prime contracts, and any subcontract in which the joint venture be awarded an 8(a) contract? must receive profits from the joint venture commensurate with the work performed by the 8(a) Participant(s); * * * * *

PART 126—HUBZONE PROGRAM

§ 126.615 [Amended]

7. The authority citation for part 126 continues to read as follows:

§ 126.615 [Amended]

8. Amend § 126.615 by removing “§ 126.618(d)” and adding in its place “§ 126.618”.

A. John Shoraka,
Associate Administrator for Government Contracting and Business Development.

Supplementary Information: SBA published a final rule in the Federal Register on May 31, 2016 (81 FR 34243). That rule amended § 125.6. On July 25, 2016, SBA published a separate final rule in the Federal Register (81 FR 48557) that purported to amend § 125.6 by removing “§ 125.15” from the introductory text of paragraph (b) and adding in its place “§ 125.18” and by removing “§ 125.15(b)(3)” from paragraph (b)(5) and adding in its place “§ 125.18(b)(3)”. These amendments could not be implemented as instructed because paragraph 125.6(b) does not contain the text to be removed. These changes inadvertently failed to take into account the amendments made to § 125.6 by the final rule published on May 31, 2016. This correction removes the instruction to amend § 125.6 published on July 25, 2016, in 81 FR 48558.

In the FR Rule Doc. No. 2016–16399 in the issue of July 25, 2016, beginning on page 48557, make the following correction:

On page 48858, in the third column, remove amendingatory instruction 34 in its entirety and the amendment to § 125.6.

A. John Shoraka,
Associate Administrator for Government Contracting and Business Development.
