DEPARTMENT OF COMMERCE
Foreign-Trade Zones Board
[B–69–2016]

Foreign-Trade Zone (FTZ) 27—Boston, Massachusetts; Notification of Proposed Production Activity; Claremont Flock, a Division of Spectro Coating Corporation (Textile Flock); Leominster, Massachusetts

Claremont Flock, a Division of Spectro Coating Corporation (Claremont Flock), submitted a notification of proposed production activity to the FTZ Board for its facility in Leominster, Massachusetts within Subzone 27N. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on October 13, 2016.

Claremont Flock already has authority to produce textile flock using acrylic and rayon tow within Subzone 27N. The current request would add polyester tow as a material/component to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status material/component described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Claremont Flock from customs duty payments on polyester tow used in export production. On its domestic sales, Claremont Flock would be able to choose the duty rate during customs entry procedures that applies to textile flock (duty-free) for polyester tow (duty rate 7.5%). Customs duties also could possibly be deferred or reduced on textile flock (duty-free) for polyester tow used in export production. On its production under FTZ procedures, Claremont Flock may be able to choose the duty rate during customs entry procedures that applies to textile flock (duty-free) for polyester tow used in export production.

II. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

III. Data

OMB Control Number: 0694–0134.  
Title: Procedure for Parties on the Entity List To Request Removal or Modification of Their Listing.  
Brief Description of Collection: This collection provides a procedure for persons or organizations listed on the Entity List to request removal or modification of the entry that affects them.
