The TAC will provide advice to the Commission, and to otherwise assist the Commission, and to otherwise assist the Commission in identifying and understanding the impact and implications of technological innovation in the financial services and commodity markets. The TAC will provide advice on the application and utilization of new technologies in financial services and commodity markets, as well as by market professionals and market users. The TAC will provide advice to the Commission on the appropriate level of investment in technology at the Commission to meet its surveillance and enforcement responsibilities, and advise the Commission on the need for strategies to implement rules and regulations to support the Commission’s mission of ensuring the integrity of the markets.

The TAC will operate for two years from the date of renewal unless the Commission directs that the TAC terminate on an earlier date. A copy of the TAC renewal charter will be posted on the Commission’s Web site at www.cftc.gov.

Supplementary Information: This guidance document applies only to Federal agency buildings not under the jurisdiction, custody, or control of the General Services Administration. Agencies are expected to follow the Guidance for Federal Agency Implementation of Workplace Charging Pursuant to the Fixing America’s Surface Transportation (FAST) Act: Electric Vehicle Supply Equipment as part of their compliance with E.O. 13693.

Christine Harada, Federal Chief Sustainability Officer, Council on Environmental Quality.
