seeking relief hereunder has an ongoing obligation to notify NFA should there be a material change to any of the representations required in the firm’s application for relief.

The Commission also confirms that KRX members that receive confirmation of relief set forth herein may engage in limited marketing conduct with respect to certain qualified customers located in the U.S. from a non-permanent location in the U.S., subject to the terms and conditions set forth in prior Commission Orders. The Commission notes that any firm and their employees or other representatives which engage in marketing conduct pursuant to this relief are deemed to have consented to the Commission’s jurisdiction over such marketing activities by their filing of a valid and binding appointment of an agent in the U.S. for service of process.

This Order will become effective as to any designated KRX firm the later of the date of publication of the Order in the Federal Register or the filing of the consents set forth in paragraphs (2)(a)–(f). Upon filing of the notice required under paragraph (1)(b) as to any such firm, the relief granted by this Order may be suspended immediately as to that firm. That suspension will remain in effect pending further notice by the Commission, or the Commission’s designee, to the firm and KRX.

This Order is issued pursuant to Regulation 30.10 based on the representations made and supporting material provided to the Commission and the recommendation of the staff, and is made effective as to any firm granted relief hereunder based upon the filings and representations of such firms required hereunder. Any material changes or omissions in the facts and circumstances pursuant to which this Order is granted might require the Commission to reconsider its finding that the standards for relief set forth in Regulation 30.10 and, in particular, Appendix A, have been met. Further, if experience demonstrates that the continued effectiveness of this Order in general, or with respect to a particular firm, would be contrary to public policy or the public interest, or that the systems in place for the exchange of information or other circumstances do not warrant continuation of the exemptive relief granted herein, the Commission may condition, modify, suspend, terminate, withhold as to a specific firm, or otherwise restrict the exemptive relief granted in this Order, as appropriate, on its own motion.

The Commission will continue to monitor the implementation of its program to exempt firms located in jurisdictions generally deemed to have a comparable regulatory program from the application of certain of the foreign futures and option regulations and will make necessary adjustments if appropriate.

Issued in Washington, DC, on February 8, 2016, by the Commission.

Christopher J. Kirkpatrick,
Secretary of the Commission.
