FURTHER INFORMATION CONTACT

To facilitate public participation, we invite public comment on the issues to be considered by the committee as listed in the “Agenda” below. Written comments must be received by October 21, 2016. Please include the docket number (DHS–2016–0084) and submit via one of the following methods:

- Email: ssstac@hq.dhs.gov. Include the docket number in the subject line of the message.
- Fax: 202–254–6176.
- Mail: Michel Kareis, HSSTAC Executive Director, S&T IAO STOP 0205, Department of Homeland Security, 243 Murray Lane, Washington, DC 20528–0205.

Instructions: All submissions received must include the words “Department of Homeland Security” and the docket number. Comments received will be posted without alteration at http://www.regulations.gov.

Docket: For access to the docket to read the background documents or comments received by the HSSTAC, go to http://www.regulations.gov and enter the docket number into the search function: DHS–2016–0084.

Agenda: Day 1: The morning session will cover updates for HSSTAC deliverables under development in the following Subcommittees: Commercialization, Social Media Working Group and IOT Smart Cities and will provide committee members an opportunity to input into the draft recommendations. A follow up discussion will be held on the request from the September webinar for contacts to be nominated for the Science Advisory Guide for Emergencies (SAGE). Science Advisory Guide for Emergencies is a tool approved as the S&T process for leadership to attain science support information concerning homeland security incidents/ emergencies in order to mitigate, respond, and recover from those incidents. The second session will focus on a Quadrennial Homeland Security Review (QHSR) including an update on the material covered in the June meeting. Members will be asked to provide input into the QHSR material presented. Comments and questions from the public will follow the two morning sessions. The afternoon session will begin with a discussion led by DHS, Under Secretary for Science and Technology, Dr. Reginald Brothers on emerging threats to national security, priorities of the Under Secretary for Science and Technology, and the

DEPARTMENT OF THE INTERIOR
Bureau of Land Management
[LLWO320000–L19900000.PP0000]

Renewal of Approved Information Collection: OMB Control No. 1004–0114

AGENCY: Bureau of Land Management, Interior.

ACTION: 30-Day notice and request for comments.

SUMMARY: The Bureau of Land Management (BLM) has submitted an information collection request to the Office of Management and Budget (OMB) to continue the collection of information for the location, recording, and maintenance of mining claims and sites. The Office of Management and Budget (OMB) has assigned control number 1004–0114 to this information collection.

DATES: The OMB is required to respond to this information collection request within 60 days but may respond after 30 days. For maximum consideration, written comments should be received on or before November 18, 2016.

ADDRESSES: Please submit comments directly to the Desk Officer for the Department of the Interior (OMB #1004–0114), Office of Management and Budget, Office of Information and Regulatory Affairs, fax 202–395–5806, or by electronic mail at OIRA submission@omb.eop.gov. Please provide a copy of your comments to the BLM. You may do so via mail, fax, or electronic mail.

Fax: To Jean Sonneman at 202–245–0050.

Electronic mail: jesonnem@blm.gov. Please indicate “Attn: 1004–0114” regardless of the form of your comments.

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act (44 U.S.C. 3501–3521) and OMB regulations at 5 CFR part 1320 provide that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond. In order to obtain and renew an OMB control number, Federal agencies are required to seek public comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d) and 1320.12(a)). As required at 5 CFR 1320.8(d), the BLM published a 60-day notice in the Federal Register on March 30, 2016 (81 FR 17730), and the comment period ended May 31, 2016. The BLM received no comments.

The BLM now requests comments on the following subjects:

1. Whether the collection of information is necessary for the proper functioning of the BLM, including whether the information will have practical utility;
2. The accuracy of the BLM’s estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility and clarity of the information to be collected; and
4. How to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Please send comments as directed under ADDRESSES and DATES. Please refer to OMB control number 1004–0114 in your correspondence. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
