

and QSRS for 2016–2020 and data will be adjusted accordingly. MPSMS did not include an opioids specific measure and QSRS now allows AHRQ to now track inpatient opioids adverse drug events.

Descriptions of the surveillance systems, measures, and targets can be found here: <https://health.gov/hcq/ade-measures.asp>.

Interested persons or organizations are invited to submit written comments in response to the proposed measures and targets. Written comments should not exceed more than two pages per ADE measure. The comments should reference the specific measure or target to which feedback refers. To be considered, the person or representative from an organization must self-identify and submit the written comments by close of business on November 21, 2016.

Dated: September 30, 2016.
