for the final determination, and extend the application of the provisional measures from a four-month period to a period not more than six months.<sup>3</sup> On September 19, 2016, the Department published the *Preliminary Determination*.<sup>4</sup>

#### Postponement of Final Determination

Section 735(a)(2)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2)(ii), provide that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise. Further, 19 CFR 351.210(e)(2) requires that such postponement requests by exporters be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months, in accordance with section 733(d) of the Act.

Accordingly, we will issue our final determination no later than February 1, 2017.

This determination is issued and published pursuant to section 735(a)(2)(A) of the Act and 19 CFR 351.210(g).

Dated: October 14, 2016.

**SUMMARY:** The Department of Commerce ("the Department") is rescinding its administrative review of utility scale wind towers ("wind towers") from the Socialist Republic of Vietnam ("Vietnam") for the period or review ("POR") February 1, 2015 through January 31, 2016, based on the withdrawal of request for review.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 3, 2016, the Department published the notice of opportunity to request an administrative review of the antidumping duty order on wind towers from Vietnam for the above POR.<sup>1</sup> On February 23, 2016 and February 29, 2016, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the "Act"), and 19 CFR 351.213(b), the Department received a timely request from the Wind Tower Trade Coalition ("Petitioner") and CS Wind Vietnam Co., Ltd. ("CS Wind"), respectively, to conduct an administrative review.<sup>2</sup>

Pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), on April 7, 2016, the Department published a notice of initiation of an administrative review of the antidumping duty order on wind towers from Vietnam.<sup>3</sup> On July 6, 2016,

Petitioner and CS Wind withdrew their requests for an administrative review.<sup>4</sup>

### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the publication date of the notice of initiation of review. As noted above, all parties withdrew their requests for review within 90 days of the publication date of the *Initiation Notice*. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

### Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries of wind towers from Vietnam. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

### Notifications

This notice also serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary

information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
