Supplemental Notice of Agenda and Discussion Topics for Staff Technical Conference; California Independent System Operator Corporation

This notice establishes the agenda and topics for discussion at the technical conference to be held on October 28, 2016 to discuss the technical challenges California Independent System Operator Corporation (CAISO) has described related to the implementation of economic bidding at Energy Imbalance Market (EIM) external interties.¹ The conference will be held on October 28, 2016, at the Commission’s offices at 888 First Street NE, Washington, DC 20426 from 10 a.m. to approximately 4 p.m. (Eastern Time). The conference will be led by Commission staff and Commissioners might attend.

The purpose of the technical conference is to provide Commission staff and interested parties an opportunity to discuss impediments to and solutions for implementing economic bidding at the EIM external interties. The topics to be discussed during this conference are attached.

This conference will be transcribed. Transcripts will be available for a fee from Ace Reporting Company (202–347–3700). Advance registration is not required but is encouraged. Attendees may register indicating attendance in person or via listen-only telephone line, at the following Web page: https://www.ferc.gov/whats-new/registration/10-28-16-form.asp. If you require a telephone line, please register no later than October 24, 2016 to be emailed the call-in information one day before the conference. Information on this event will be posted on the Calendar of Events on the Commission’s Web site, www.ferc.gov, prior to the event.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. Abstract: As required by the Clean Air Act, EPA has regulations establishing emission standards and other requirements for various classes of vehicles, engines, and evaporative emissions. These regulations require that compliance be demonstrated prior to EPA granting a “Certificate of Conformity.” EPA charges fees for administering this certification program. In 2004 the fees program was expanded to include non-road categories of vehicles and engines, such as several categories of marine engines, locomotives, non-road recreational vehicles, and many non-road compression-ignition and spark-ignition engines. Manufacturers and importers of covered vehicles, engines and components are required to pay the applicable certification fees prior to their certification applications being reviewed. Under section 208 of the Clean Air Act (42 U.S.C. 7542(c)) all
