

Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has stated that it is requesting this waiver because the proposed rule change is based on the approved rules of NYSE and would be applicable to member organizations that are also NYSE member organizations, trade on the same physical facilities as NYSE, and are subject to trading rules based on the rules of NYSE. The Exchange further stated that the proposed rule change would permit the Exchange to implement changes to its rules at the same time that the approved changes are implemented by NYSE.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because this waiver will enable the Exchange to maintain consistent definitions of Trading Floor and Floor between the Exchange and NYSE, which utilize the same physical location and have their member organizations in common. Waiver could thus avoid confusion that might arise from excluding the telephone booths described herein from the definition of Trading Floor for purposes of NYSE but not for the Exchange. The Commission notes that the Exchange, in adopting this proposed rule change, will be held to the same standards with respect to conducting surveillance for the misuse of material non-public information and monitoring for compliance with Exchange rules within the telephone booths and on the Trading Floor that the Commission based its findings on when approving NYSE's version of the proposed rule change. For the reasons described above, consistent with the protection of investors and the public interest, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.<sup>21</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

<sup>21</sup> For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

Commission shall institute proceedings under Section 19(b)(2)(B)<sup>22</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–79115; File No. SR–NYSE–2016–66]

### Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Article IV, Section 4.05 of the Tenth Amended and Restated Operating Agreement of the Exchange

October 18, 2016.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that on October 6, 2016, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Article IV, Section 4.05 of the Tenth Amended and Restated Operating Agreement of the Exchange (“Operating Agreement”) regarding use of regulatory

assets, fees, fines and penalties, and make additional, non-substantive edits. The proposed rule change is available on the Exchange’s Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend Article IV, Section 4.05 (Limitation on Distributions) of the Operating Agreement (“Section 4.05”), regarding use of regulatory assets, fees, fines and penalties (“Regulatory Funds”), and make additional, non-substantive edits.

###### Proposed Amendment to Section 4.05

Section 4.05 provides that: [t]he Company shall not use any regulatory assets or any regulatory fees, fines or penalties collected by the Exchange’s regulatory staff for commercial purposes or distribute such assets, fees, fines or penalties to the Member or any other entity.<sup>4</sup>

Although it prohibits the use of Regulatory Funds for “commercial purposes,” that term is not defined in Section 4.05 or elsewhere in the Operating Agreement. Accordingly, to add greater clarity to the limits on the use of Regulatory Funds, the Exchange proposes to replace the prohibition against using Regulatory Funds for “commercial purposes” with a statement that Regulatory Funds “will be applied to fund the legal, regulatory and surveillance operations” of the Exchange. The prohibition on using Regulatory Funds for distributions to the Member or any other entity would remain.

In addition, “Exchange” is not a defined term in the Operating Agreement, which defines the Exchange as the “Company.” Accordingly, the Exchange proposes to replace “Exchange’s regulatory staff” with “Company’s regulatory staff.”

The amended Section 4.05 would read as follows:

Any regulatory assets or any regulatory fees, fines or penalties collected by the Company’s regulatory staff will be applied to fund the legal, regulatory and surveillance operations of the Company, and the Company shall not distribute such assets, fees, fines or penalties to the Member or any other entity.

The Exchange believes that the increased clarity in the scope of the limits on use of Regulatory Funds will enhance the protections provided by Section 4.05 against the possibility that Regulatory Funds may be assessed to respond to the Exchange’s budgetary needs rather than to serve a disciplinary purpose.<sup>5</sup>

The proposed amendments would have the benefit of bringing Section 4.05 into greater conformity with the bylaws of the Exchange’s affiliate NYSE Arca, Inc., which provide that regulatory fees and penalties “will be applied to fund the legal, regulatory and surveillance operations of the Exchange.”<sup>6</sup>

The proposed amendments would make Section 4.05 more consistent with the limitations on the use of regulatory income of other self-regulatory organizations (“SROs”). Most such limitations are substantially similar to the proposed revised Section 4.05. For example, similar to the proposed Section 4.05, the limited liability company agreements of the BOX Options Exchange (“BOX”), International Securities Exchange, LLC (“ISE”), and its affiliates ISE Gemini, LLC and ISE Mercury, LLC, provide that regulatory funds shall be used to fund the relevant SRO’s legal, regulatory and surveillance operations.<sup>7</sup> Consistent

<sup>5</sup> See Securities Exchange Act Release No. 77899 (May 24, 2016), 81 FR 34393 (May 31, 2016) (SR–NYSE–2016–37).

<sup>6</sup> See Bylaws of NYSE Arca, Inc., Art. II, Sec. 2.06 (“Any revenues received by the Exchange from regulatory fees or regulatory penalties will be applied to fund the legal, regulatory and surveillance operations of the Exchange and will not be used to pay dividends. For purposes of this Section, regulatory penalties shall include restitution and disgorgement of funds intended for customers.”). The Exchange’s affiliate NYSE MKT LLC has submitted substantially the same proposed amendment to its operating agreement. See SR–NYSEMKT–2016–93.

<sup>7</sup> Such provisions also limit the relevant SRO from making any distribution to its member using regulatory funds. See Box Options Exchange Limited Liability Company Agreement, Art. 1, Sec.
