The Higher Education Amendments (HEA) requires that if an institution anticipates not using all of its allocated funds for the Perkins, Federal Work Study (FWS), and Federal Supplemental Education Opportunity Grant (FSEOG) programs by the end of an award year, it must specify the anticipated remaining unused amount to the Secretary. In addition to renewing the expiration date, references to dates and award years have been updated on the forms and in the instructions for both documents. The FISAP form has been revised: (1) To use technology to gather existing data electronically from other sources requiring less data entry concerning Additional Institutions in Part I; (2) per discussions with OMB staff on 11/26/12 with concurrence on 11/30/12 to allow applicable aggregate level data entry concerning graduate and professional students for schools with non-traditional academic calendars; and (3) per OMB staff request and discussions on 8/21/12 with concurrence on 8/24/12, to expand the income grid in the Part VI summary to collect a more concise breakdown of student data at the aggregate level.
