The Department has not adjusted its total employee complaint hour estimate of 1.28 hours, which it estimated in the E.O. 13496 final rule. 75 FR 28368. Based on the average seasonally-adjusted hourly earnings on private non-farm payrolls for all workers of $25.24, we estimate that an employee will incur a cost of approximately $32.31 for the 1.28 hours involved ($25.24 × 1.28) in preparing a complaint. The total hourly cost for all employees is therefore $323.10. Additionally, employees will incur costs of $0.53 per complaint in capital/start-up costs ($0.49 for postage + $0.04 for an envelope + $0.01 for paper) for a total cost of $5.30. The total cost for the estimated 10 complaints is therefore $328.40 ($323.10 + $5.30). There are no ongoing operation/maintenance costs associated with this information collection.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Dated: January 20, 2016.

Andrew R. Davis,
