Phosphor Copper From the Republic of Korea: Postponement of Final Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is postponing the deadline for issuing the final determination in the less-than-fair-value (LTFV) investigation of phosphor copper from the Republic of Korea (Korea) and is extending the provisional measures from a four-month period to a period of not more than six months.

DATES: Effective October 27, 2016.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson at (202) 482–3797, Antidumping and Countervailing Duty Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

On April 5, 2016, the Department of Commerce (the Department) initiated an antidumping duty investigation of imports of phosphor copper from the Republic of Korea (Korea).¹ The period of investigation is January 1, 2015, through December 31, 2015. On October 5, 2016, the Department published its affirmative *Preliminary Determination* in the LTFV investigation of phosphor copper from Korea.² On October 12 and October 19, 2016, Bongsan Co., Ltd. (Bongsan), the sole mandatory respondent in this investigation, requested that the Department fully extend the deadline for the final determination and extend the application of the provisional measures from a four-month period to a period of not more than six months.³

Postponement of Final Determination

Section 735(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(b)(2)(ii) provide that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by the exporters or producers who account for a significant proportion of exports of the subject merchandise. Further, 19 CFR 351.210(e)(2) requires that such postponement requests by exporters be accompanied by a request for extension of provisional measures from a four-month period to a period of not more than six months, in accordance with section 733(d) of the Act.

In accordance with section 735(a)(2)(B) of the Act and 19 CFR 351.210(b)(2)(ii), because (1) our preliminary determination was affirmative; (2) the request was made by the exporter/producer who accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, we are postponing the final determination until no later than 135 days after the date of the publication of the *Preliminary Determination* and

Certain Cased Pencils From the People's Republic of China: Final Results of Antidumping Duty New Shipper Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 10, 2016, the Department of Commerce (the Department) published the preliminary results of the new shipper review of the antidumping duty order on certain cased pencils from the People's Republic of China. This review covers one company, Wah Yuen Stationery Co., Ltd. and its affiliated producer, Shandong Wah Yuen Stationery Co., Ltd. (collectively, Wah Yuen), for the period of review (POR) December 1, 2014, through May 31, 2015. We invited interested parties to comment on our *Preliminary Results*. Based upon our analysis of the comments received, we made changes to the margin calculations for the final results. As a result of these changes, we find that the exporter Wah Yuen made a sale of subject merchandise at below normal value during the POR.

DATES: Effective October 27, 2016.

FOR FURTHER INFORMATION CONTACT: Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1785.

⁴ Postponing the final determination to 135 days after the publication of the *Preliminary Determination* would place the deadline on Sunday, February 26, 2017. The Department's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

SUPPLEMENTAL INFORMATION:

Background

The Department published its *Preliminary Results* in this new shipper review on June 10, 2016.¹ Wah Yuen and the Dixon Ticonderoga Company, the petitioner, filed case briefs on August 12, 2016.² We received a rebuttal brief from Wah Yuen on August 22, 2016.³

Scope of the Order

Imports covered by this order are shipments of certain cased pencils of any shape or dimension which are writing and/or drawing instruments that feature cores of graphite or other materials, encased in wood and/or man-made materials, whether or not decorated and whether or not tipped (*e.g.*, with erasers, *etc.*) in any fashion, and either sharpened or unsharpened. The pencils subject to the order are currently classifiable under subheading 9609.10.00 of the Harmonized Tariff Schedule of the United States (HTSUS). A full description of the scope of the order is contained in the Issues and Decision Memorandum.⁴ Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description is dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this review are addressed in the Issues and Decision Memorandum. A list of the issues which parties raised is attached to this notice as an appendix.
