Information Collections Open for Comment

Currently, we are seeking comments on the following information collections (forms, recordkeeping requirements, or questionnaires):

Title: Usual and Customary Business Records Maintained by Brewers.

OMB Number: 1513-0058.

TTB Recordkeeping Number: REC 5130/1.

Abstract: The Internal Revenue Code (IRC) at 26 U.S.C. 5415 requires brewers to keep records in such form and containing such information as the Secretary of the Treasury may prescribe by regulation as necessary to protect the revenue. Under this authority, TTB regulations in 27 CFR part 25 require brewers to keep usual and customary business records that allow TTB to verify, for example, the quantities of raw materials received at a brewery, the quantity of beer and cereal beverages produced and removed taxpaid or without payment of tax from a brewery, and the quantity of beer previously removed subject tax that is returned to the brewery.

Current Actions: TTB is submitting this collection as a revision. The information collection remains unchanged. However, TTB is increasing the estimated number of respondents due to an increase in the number of brewers regulated by TTB. There is no increase in the estimated total annual burden hours for this information collection because the required operational and production records are usual and customary records kept by brewers during the normal course of business and would be maintained even without the TTB regulatory requirements to do so.

Type of Review: Revision of a currently approved collection.

Affected Public: Businesses and other for-profits.

Estimated Number of Respondents: 6,700.

Estimated Total Annual Burden Hours: 1 (one).

Title: Application, Permit, and Report—Wine and Beer (Puerto Rico), and Application, Permit, and Report—Distilled Spirits (Puerto Rico).

OMB Number: 1513-0123.

TTB Form Numbers: F 5100.21 and F 5110.51.

Abstract: In general, under the Internal Revenue Code (IRC) at 26 U.S.C. 7652(a)(1), merchandise manufactured in Puerto Rico and shipped to the United States for consumption or sale is subject to a tax equal to the internal revenue tax imposed in the United States upon like articles of merchandise of domestic manufacture. The IRC at 26 U.S.C. 7652(a)(2) provides that the Secretary of the Treasury shall by regulation prescribe the mode and time for payment and collection of the tax, and 26 U.S.C. 7805(a) provides the Secretary of the Treasury the authority to prescribe all needful rules and regulations for enforcement of the IRC. Under this authority, in order to protect the revenue, the TTB regulations require, among other things, the use of TTB F 5100.21 and TTB F 5110.51 by persons shipping wine, beer, and certain distilled spirits products produced in Puerto Rico to the United States for domestic consumption or sale. TTB F 5100.21 is an application and permit to compute the Federal excise tax on, taxpay, and withdraw wine or beer for shipment to the United States. TTB F 5110.51 is an application and permit to compute the tax on, taxpay, and withdraw for shipment to the United States certain distilled spirits products.

Current Actions: We are submitting this information collection for extension purposes only. The information collection, estimated number of respondents, and estimated number of burden hours remain unchanged.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses and other for-profits.

Estimated Number of Respondents: 35.

Estimated Total Annual Burden Hours: 35.

Dated: October 19, 2016.

Amy R. Greenberg,

Director, Regulations and Rulings Division.
