between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected shows and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. Shows selected for the IBP Select will provide a venue for U.S. companies interested in expanding their sales into international markets.

Through the IBP Select, the DOC selects trade shows that DOC determines to be leading trade shows with participation by U.S. firms interested in exporting. DOC provides successful applicants with assistance in the form of targeted overseas promotion of the show by U.S. Embassies and Consulates; outreach to show participants about exporting; recruitment of potential buyers to attend the shows; and staff assistance in setting up and staffing international trade centers at the shows. Targeted promotion in up to five markets can be executed through the overseas offices of ITA or in U.S. Embassies in countries where ITA does not maintain offices.

ITA is accepting applications for IBP Select from trade show organizers of trade shows taking place between January 1, 2018, and December 31, 2018. Selection of a trade show for IBP Select is valid for one show. A trade show organizer seeking selection for a recurring show must submit a new application for selection for each occurrence of the show. For shows that occur more than once in a calendar year, the trade show organizer must submit a separate application for each show. There is no fee required to submit an application. For IBP Select in calendar year 2018, ITA expects to select approximately 10 shows from among the applicants. ITA will select those shows that are determined to most clearly support the statutory mandate in 15 U.S.C. 4721 to promote U.S. exports, especially those of small- and medium-sized enterprises, and that best meet the selection criteria articulated below. Once selected, applicants will be required to enter into a Memorandum of Agreement (MOA) with the DOC, and submit payment of the $6,000 2018 participation fee (by check or credit card) within 30 days of written notification of acceptance into IBP Select. The MOA constitutes an agreement between the DOC and the show organizer specifying which responsibilities for international promotion and export assistance services at the trade shows are to be undertaken by the DOC as part of the IBP Select, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the application form and a copy of this Federal Register Notice. Applicants are encouraged to review the MOA closely, as IBP Select participants are required to comply with all terms, conditions, and obligations in the MOA. Trade show organizer obligations include the construction of an International Trade Center at the trade show, production of an export interest directory, and provision of complimentary hotel accommodations for DOC staff as explained in the MOA. ITA responsibilities include targeted promotion of the trade show and, where feasible, recruitment of international buyers to that show from up to five target markets identified, provision of on-site export assistance to U.S. exhibitors at the show, and the reporting of results to the show organizer.

Selection as an IBP Select show does not constitute a guarantee by DOC of the show’s success. IBP Select participation status is not an endorsement of the show except as to its international buyer activities. Non-selection of an applicant for IBP Select status should not be viewed as a determination that the show will not be successful in promoting U.S. exports.

Eligibility: 2018 U.S. trade shows with 1,350 or fewer exhibitors are eligible to apply, through the show organizer, for IBP Select participation. First-time shows will also be considered.

Exclusions: U.S. trade shows with over 1,350 exhibitors will not be considered for IBP Select.

General Evaluation Criteria: ITA will evaluate applicants for IBP Select using the following criteria:

(a) Export Potential: The trade show promotes products and services from U.S. industries that have high export potential, as determined by DOC sources, including industry analysts’ assessment of export potential, ITA best prospects lists, and U.S. export analysis.

(b) Level of International Interest: The trade show meets the needs of a significant number of overseas markets and corresponds to marketing opportunities as identified by ITA. Previous international attendance at the show may be used as an indicator.

(c) Scope of the Show: The show must offer a broad spectrum of U.S. made products and services for the subject industry. Trade shows with a majority of U.S. firms as exhibitors are given priority.

(d) U.S. Content of Show Exhibitors: Trade shows with exhibitors featuring a high percentage of products produced in the United States or products with a high degree of U.S. content will be preferred.

(e) Stature of the Show: The trade show is clearly recognized by the industry it covers as a leading show for the promotion of that industry’s products and services both domestically and internationally, and as a showplace for the latest technology or services in that industry.

(f) Level of Exhibitor Interest: There is significant interest on the part of U.S. exhibitors in receiving international business visitors during the trade show. A significant number of U.S. exhibitors should be new-to-export or seeking to expand their sales into additional export markets.

(g) Level of Overseas Marketing: There has been a demonstrated effort by the applicant to market prior shows overseas. In addition, the applicant should describe in detail the international marketing program to be conducted for the show, and explain how efforts should be inclusive of individual and group international attendance.

(h) Level of Cooperation: The applicant demonstrates a willingness to cooperate with ITA to fulfill the program’s goals and adhere to the target dates set out in the MOA and in the show timetables, both of which are available from the program office (see the FOR FURTHER INFORMATION CONTACT section above). Past experience in the IBP will be taken into account in evaluating the applications received.

(i) Delegation Incentives: Waived or reduced (by at least 50% off lowest price) admission fees are required for international attendees who are participating in IBP Select. Delegation leaders also must be provided complimentary admission to the show. In addition, show organizers should offer a range of incentives to delegations and/or delegation leaders recruited by the DOC overseas posts. Examples of incentives to international visitors and to organized delegations include: Special organized events, such as receptions, meetings with association executives, briefings, and site tours; or complimentary accommodations for delegation leaders.

Review Process: ITA will vet all applications received based on the criteria set out in this notice. Vetting will include soliciting input from ITA industry analysts, as well as domestic and international field offices, focusing primarily on the export potential, level of international interest, and stature of the show. In reviewing applications, ITA will also consider sector and geographic diversity in terms of the need to allocate resources to support selected shows.

Certain Frozen Warmwater Shrimp From India: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Avanti Frozen Foods Private Limited (Avanti Frozen) requested a changed circumstances review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India. The Department of Commerce (Department) is initiating this changed circumstances review and preliminarily determining that Avanti Frozen is the successor-in-interest to Avanti Feeds Limited (Avanti Feeds).

DATES: Effective October 31, 2016.

SUPPLEMENTARY INFORMATION:

Background
On February 1, 2005, the Department published in the Federal Register an antidumping duty order on shrimp from India.1 In the tenth administrative review of the Order, Avanti Feeds was assigned a cash deposit rate of 2.20 percent.2

On September 7, 2016, Avanti Frozen requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(b), the Department conduct a changed circumstances review of the Order to confirm that Avanti Frozen is the successor-in-interest to Avanti Feeds.3 In its submission, Avanti Frozen explained that Avanti Feeds undertook a business reorganization and transferred its shrimp business to its subsidiary company, Avanti Frozen.4

The domestic industry did not file any comment for these preliminary results.

Scope of the Order
The merchandise subject to the order is certain frozen warmwater shrimp.5 The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Initiation and Preliminary Results
Pursuant to section 751(b)(1) of the Act, the Department will conduct a changed circumstances review upon receipt of information concerning, or a request from, an interested party for a review of an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. As indicated in the “Background” section, we received information indicating that Avanti Feeds has transferred its shrimp business to Avanti Frozen. This constitutes changed circumstances warranting a review of the order.6 Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d) and (e), we are initiating a changed circumstances review based upon the information contained in Avanti Frozen’s submission.
