2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same “group of investment companies” as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which

For purposes of the requested order, “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the request for relief, the term “group of investment companies” means any two or more registered investment companies, including closed-end investment companies, that hold themselves out to investors as related companies for purposes of investment and investor services.

<sup>2</sup> Certain of the Underlying Funds have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as an exchange-traded fund (“ETF”).

<sup>3</sup> Applicants do not request relief for the Funds of Funds to invest in reliance on the order in closed-end investment companies that are not listed and traded on a national securities exchange.

<sup>4</sup> A Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from section 17(a) to permit a Fund of Funds to purchase or redeem shares from the ETF. A Fund of Funds will purchase and sell shares of an Underlying Fund that is a closed-end fund through secondary market transactions at market prices rather than through principal transactions with the closed-end fund. Accordingly, applicants are not requesting section 17(a) relief with respect to transactions in shares of closed-end funds.

are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(f) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

Nasdaq is proposing to include NextShares, listed under Rule 5745, to the list of securities eligible to be treated as a Qualified Security under the Lead Market Maker (“LMM”) Program of Rule 7014(f).

To achieve this goal, Nasdaq provides credits to a designated LMM for execution of a Qualified Security. Under Rule 7014(f)(1), a security may be designated as a “Qualified Security” if: (A) It is an exchange-traded fund or index-linked security listed on Nasdaq pursuant to Nasdaq Rules 5705, 5710, 5720, or 5735; and (B) it has at least one LMM.

An LMM is a registered Nasdaq market maker for a Qualified Security that has committed to maintain minimum performance standards, which are based on certain percentages
