Gulf South states the units have been idle since 2006 and are now in need of repair or replacement, it claims that the most prudent course of action is to abandon the units and that the proposed abandonment will not result in a material decrease in service to customers.

Any questions regarding this Application should be directed to Kathy D. Fort, Manager, Certificates and Tariffs, Gulf South Pipeline Company, LP, 9 Greenway Plaza, Suite 2800, Houston, Texas 77046, by phone (270) 688-6825, by fax (713) 479-1745, or by email at kathy.fort@bwpmlp.com.

The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission.
