Notification to Interested Parties of Administrative Protective Orders

This notice serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing the results of the reviews and this notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act.

Dated: November 1, 2016.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

DATES:
Effective November 7, 2016.

SUPPLEMENTARY INFORMATION:

Background
On July 1, 2016, the Department initiated this third sunset review of the CVD order1 on SSPC from South Africa pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).2 The Department received a notice of intent to participate from Allegheny Ludlum, LLC d/b/a ATI Flat Rolled Products (ATI) and Outokumpu Stainless USA LLC (Outokumpu) (together, domestic interested parties), within the deadline specified in 19 CFR 351.218(d)(1)(i).

The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as domestic producers of SSPC in the United States. The Department received an adequate substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). However, the Department did not receive a substantive response from any government or respondent interested party to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited review of the CVD order.

Scope of the Order

The product covered by these orders is certain stainless steel plate in coils. Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements. The subject plate products are flat-rolled products, 254 mm or over in width and 4.75 mm or more in thickness, in coils, and annealed or otherwise heat treated and pickled or otherwise descaled. The subject plate may also be further processed (e.g., cold-rolled, polished, etc.) provided that it maintains the specified dimensions of plate following such processing. Excluded from the scope of these orders are the following: (1) Plate not in coils, (2) plate that is not annealed or otherwise heat treated and pickled or otherwise descaled, (3) sheet and strip, and (4) flat bars.

The merchandise subject to this review is currently classifiable in the Harmonized Tariff Schedule of the United States (HTS) at subheadings: 7219.11.00.30, 7219.11.00.60, 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, 7219.12.00.81, 7219.31.00.10, 7219.90.00.10, 7219.90.00.20, 7219.90.00.25, 7219.90.00.60, 7219.90.00.80, 7220.11.00.00, 7220.20.10.10, 7220.20.10.60, 7220.20.10.80, 7220.20.60.05, 7220.20.60.10, 7220.20.60.15, 7220.20.60.60, 7220.20.60.80, 7220.90.00.10, 7220.90.00.15, 7220.90.00.60, and 7220.90.00.80.

Although the HTS subheadings are provided for convenience and Customs purposes, the written description of the merchandise subject to these orders is dispositive.

Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum, which is dated concurrently with and adopted by this notice.3 The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of a countervailable subsidy and the net countervailable subsidy likely to prevail if the Order were revoked. Parties can find a complete discussion of all issues raised in this expedited sunset review and the corresponding recommendations in this public memorandum, which is on file electronically via the Enforcement and Compliance Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html.

The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Final Results of Review

Pursuant to sections 752(b)(1) and (3) of the Act, we determine that revocation of the Order on stainless steel plate in coils from South Africa would be likely to lead to continuation or recurrence of a net countervailable subsidy at the rates listed below:4

1 See Notice of Amended Final Determinations: Stainless Steel Plate in Coils from Belgium and South Africa: and Notice of Countervailing Duty Orders: Stainless Steel Plate in Coils from Belgium, Italy, and South Africa, 64 FR 25288 (May 11, 1999) (Order).
2 See Initiation of Five-Year (“Sunset”) Review, 81 FR 43185 (July 1, 2016).
3 See Memorandum from Christian Marsh, Deputy Assistant Secretary for Enforcement and Compliance, to Paul Piquado, Assistant Secretary for Enforcement and Compliance regarding: “Issues and Decision Memorandum for the Final Results of Expedited Sunset Review of the Countervailing Duty Order on Stainless Steel Plate in Coils from South Africa,” dated concurrently with and adopted by this Notice (Issues and Decision Memorandum).
4 Id.

Scope of the Order

The merchandise subject to the order is uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (e.g., twin, twin long, full, full long, queen, California king and king) and units used in smaller constructions, such as crib and youth mattresses. The product is currently classified under subheading 9404.29.9010 and has also been classified under subheadings 9404.10.0000, 9404.29.9005, 9404.29.9011, 7326.20.0070, 7320.20.5010, 7320.90.5010, or 7326.20.0071 of the Harmonized Tariff Schedule of the United States (“HTSUS”). The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (“the Act”). With respect to Enchant Privilege, we relied on facts available and, because Enchant Privilege did not act to the best of its ability to respond to the Department’s requests for information, we drew an adverse inference in selecting from among the facts otherwise available.

For a full description of the methodology underlying our conclusions, please see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at http://access.trade.gov and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/frn/. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

The Department preliminarily determines that a dumping margin of 234.51 percent exists for Enchant Privilege for the period February 1, 2015, through January 31, 2016.

Public Comment

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs not later than 30 days after the date of publication of this notice in the Federal Register. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs. Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Case and rebuttal briefs should be filed using ACCESS. Pursuant to 19 CFR 351.310(c)(3), interested parties who wish to request a hearing must submit a written request to

Supplementary Information:

Background

On February 19, 2009, the Department published an antidumping duty order on innerspring units from the People’s Republic of China (“the Order”).1 On February 29, 2016, Leggett & Platt, Inc. (“Petitioner”) submitted a request for the Department to conduct an administrative review of the Order that examines Enchant Privilege’s exports of subject merchandise made during the POR.2 On April 7, 2016, the Department published in the Federal Register a notice of initiation of this administrative review of the Order concerning Enchant Privilege’s POR exports of subject merchandise.3,4

Scope of the Order

The merchandise subject to the order is uncovered innerspring units composed of a series of individual metal springs joined together in sizes corresponding to the sizes of adult mattresses (e.g., twin, twin long, full, full long, queen, California king and king) and units used in smaller constructions, such as crib and youth mattresses. The product is currently classified under subheading 9404.29.9010 and has also been classified under subheadings 9404.10.0000, 9404.29.9005, 9404.29.9011, 7326.20.0070, 7320.20.5010, 7320.90.5010, or 7326.20.0071 of the Harmonized Tariff Schedule of the United States (“HTSUS”). The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.5
