

therefore, will continue to include various provisions intended to protect and maintain the integrity of the self-regulatory functions of the Exchange. Additionally, the Commission will continue to have regulatory authority over the Exchange, as is currently the case, as well as jurisdiction over CBOE Holdings with respect to activities related to the Exchange.¹¹

The Exchange is proposing no changes to its existing operational and trading structure in connection with the Transaction. Upon Closing, the Exchange will operate in essentially the same manner as it operates today. Therefore, the Exchange believes it will continue to satisfy the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change relates to the corporate governance of CBOE Holdings—specifically a change in composition of the CBOE Holdings Board in connection with a corporate transaction—and not the operations of the Exchange. This is not a competitive filing and, therefore, imposes no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. by order approve or disapprove such proposed rule change, or

B. institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and

arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-CBOE-2016-076 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090. All submissions should refer to File Number SR-CBOE-2016-076. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2016-076, and should be submitted on or before December 6, 2016.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2016-0055]

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov. (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2016-0055].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than January 17, 2017. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Agreement to Sell Property—20 CFR 416.1240-416.1245—0960-0127.

Individuals or couples who are otherwise eligible for Supplemental Security Income (SSI) payments, but whose resources exceed the allowable limit may receive conditional payments if they agree to dispose of the excess non-liquid resources and make repayments. SSA uses Form SSA-8060-U3 to document this agreement, and to ensure the individuals understand their obligations. Respondents are applicants for and recipients of SSI payments who will be disposing of excess non-liquid resources.

¹¹ See, e.g., CBOE Holdings Certificate Article Fourteenth.

¹² 17 CFR 200.30-3(a)(12).

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Total estimated total annual burden (hours)
SSA-8060-U3	20,000	1	10	3,333

2. *Development of Participation in a Vocational Rehabilitation or Similar Program—20 CFR 404.316(c), 404.337(c), 404.352(d), 404.1586(g), 404.1596, 404.1597(a), 404.327, 404.328, 416.1321(d), 416.1331(a)–(b), and 416.1338, 416.1402—0960–0282.* State Disability Determination Services (DDS) must determine if Social Security

disability payment recipients whose disability ceased and who participate in vocational rehabilitation programs may continue to receive disability payments. To do this, DDSs need information about the recipients; the types of program participation; and the services they receive under the rehabilitation program. SSA uses Form SSA-4290 to

collect this information. The respondents are State employment networks; vocational rehabilitation agencies; or other providers of educational or job training services.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of Response	Average burden per response (minutes)	Total estimated total annual burden (hours)
SSA-4290	3,000	1	15	750

3. *Appointment of Representative—20 CFR 404.1707, 404.1720, 408.1101, 416.1507, and 416.1520—0960–0527.* Individuals claiming rights or benefits under the Social Security Act (Act) must notify SSA in writing when they appoint an individual to represent them in dealing with SSA. SSA collects the

information on Form SSA-1696-U4 to verify the appointment of such representatives. The SSA-1696-U4 allows SSA to inform representatives of items that affect the recipient's claim, and allows claimants to give permission to their appointed representatives to designate a person to receive their

claims files. Respondents are applicants for or recipients of Social Security disability benefits (SSDI) or SSI payments who are notifying SSA they have appointed a person to represent them in their dealings with SSA.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Total estimated total annual burden (hours)
SSA-1696-U4	800,000	1	10	133,333

4. *Work Activity Report (Self-Employment)—20 CFR 404.1520(b), 20 CFR 404.1571–404.1576, 20 CFR 404.1584–404.1593, and 20 CFR 416.971–416.976—0960–0598.* SSA uses Form SSA-820-U4 to determine initial or continuing eligibility for (1) Title II SSDI or (2) Title XVI SSI payments. Under Titles II and XVI of the Act, recipients receive disability benefits and SSI payments based on their inability to engage in substantial gainful activity (SGA) due to a physical or mental condition. Therefore, when the

recipients resume work, they must report their work so SSA can evaluate and determine by law whether they continue to meet the disability requirements. SSA uses Form SSA-820-U4 to obtain information on self-employment activities of Social Security Title II and XVI disability applicants and recipients. We use the data we obtain to evaluate disability claims, and to help us determine if the claimant meets current disability provisions under Titles II and XVI. Since applicants for disability benefits or

payments must prove an inability to perform any kind of SGA generally available in the national economy for which we expect them to qualify based on age, education, and work experience, any work an applicant performed until, or subsequent to, the date the disability allegedly began, affects our disability determination. The respondents are applicants and claimants for SSI payments or SSDI benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minute)	Estimated annual burden (hours)
SSA-820-BK	100,000	1	30	50,000

Dated: November 9, 2016.
