

As a result of the aforementioned recalculation of the Rummo Group's rate, the weighted-average dumping margin for the two non-selected companies has changed.

Final Results of the Review

As a result of this review, the Department determines the following weighted-average dumping margins⁹ for the period July 1, 2013, through June 30, 2014:

Producer and/or exporter	Weighted-average dumping margin (percent)
La Molisana S.p.A.	12.90
Rummo S.p.A., Lenta Lavorazione, Pasta Castiglioni, and Rummo S.p.A. Molino e Pastificio (collectively, the Rummo Group)	0.00
Pastificio Andalini S.p.A.	12.90
Delverde Industrie Alimentari S.p.A.	12.90

Duty Assessment

The Department shall determine and Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries.¹⁰ For any individually examined respondents whose weighted-average dumping margin is above *de minimis*, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). Upon issuance of the final results of this administrative review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (*i.e.*, at or above 0.5 percent), the Department will issue instructions directly to CBP to assess antidumping duties on appropriate entries.

We intend to issue assessment instructions directly to CBP 15 days after publication of the final results of this review.

⁸ "Certain Pasta from Italy: Calculation Memorandum—the Rummo Group," dated February 9, 2016.

⁹ The margin for the non-examined companies was based on the calculated weighted-average margin of La Molisana (the sole mandatory respondent receiving an above *de minimis* margin in these final results).

¹⁰ In these final results, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 15.45 percent, the all-others rate established in the antidumping investigation as modified by the section 129 determination. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of

APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: February 9, 2016.

Assistant Secretary for Enforcement and Compliance.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Final Rescission of Antidumping Duty New Shipper Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUPPLEMENTARY INFORMATION:

Background

On December 22, 2015, the Department of Commerce (the Department) published the preliminary rescission of the new shipper review of the antidumping duty (AD) order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC) for Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd. (Changxing).¹ We invited parties to comments on our *Preliminary Rescission Notice*; however, no interested party submitted comments. Therefore, we made no changes to our analysis for purposes of this final rescission, and we are rescinding the new shipper review of the AD order on TRBs from the PRC with respect to Changxing.

Scope of the Order

Imports covered by the order are shipments of tapered roller bearings and parts thereof, finished and unfinished, from the PRC; flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. These products are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.70.6060, 8708.99.2300, 8708.99.4850, 8708.99.6890, 8708.99.8115, and 8708.99.8180. Although the HTSUS item numbers are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Rescission of Review

As discussed in the *Preliminary Rescission Notice*, Changxing failed to respond to the Department's request for additional information regarding possible entries of subject merchandise that predated the applicable period of review (POR).² In the absence of any

comments on this issue, we continue to find on the basis of adverse facts available, pursuant to section 776(a) and (b) of the Tariff Act of 1930, as amended (the Act), that Changxing had additional entries of subject merchandise prior to the POR (June 1, 2014, through May 31, 2015) that were not reported to the Department at the time of Changxing's request for a new shipper review. Based on the foregoing, we find that Changxing does not meet the minimum requirements for a new shipper review under 19 CFR 351.214(b)(2)(iv)(C) in that Changxing's request did not contain documentation establishing the date of its first sale to an unaffiliated customer in the United States. Because we find that Changxing's request for a new shipper review did not satisfy the regulatory requirements for initiation of a new shipper review, we are rescinding the new shipper review of the AD order on TRBs from the PRC with respect to Changxing.

Assessment Rates

Because we are rescinding the new shipper review of Changxing, we are not making a determination as to whether Changxing qualifies for a separate rate. Therefore, Changxing remains part of the PRC entity and any entries covered by this new shipper review will be assessed at the PRC-wide rate.

Cash Deposit Requirements

Effective upon publication of the final rescission of the new shipper review of Changxing, the Department will instruct U.S. Customs and Border Protection to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise from Changxing.³ Because we did not calculate a dumping margin for Changxing or grant Changxing a separate rate in this new shipper review, we find that Changxing continues to be part of the PRC-wide entity. The cash deposit rate for the PRC-wide entity is 92.84 percent. These cash deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that

reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

In accordance with 19 CFR 351.305(a)(3), this notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

This new shipper review and notice are in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214(f)(3).

Dated: February 8, 2016.
