Background

The President's Volunteer Service Awards were created by Executive Order on January 30, 2003. The awards are administered by the Corporation for National and Community Service. Under the Executive Order, the Corporation was directed to (among other things) design and recommend programs to recognize individuals, schools, and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary schools, secondary schools, and institutions of higher learning. The President's Volunteer Service Awards fulfills this

direction. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they are eligible to receive the award and have earned the award.
