**Background**

The President’s Volunteer Service Awards were created by Executive Order on January 30, 2003. The awards are administered by the Corporation for National and Community Service. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they are eligible to receive the award and have earned the award.

The Child Annuitant’s School Certification form is submitted to the child for completion and returned to this agency. The child will certify as to his or her intent for future enrollment and a school official must certify on the past or present school enrollment of the child. By not obtaining school certification, overpayment of annuities to children would exist. This information may be collected from some schools which are non-profit institutions such as religious institutions. If information is not received after the end of each school enrollment, over disbursements of an annuity would be made to a child who elected not to continue further training or study.
