

status” pursuant to Section 1110.502 of the final rule.

The Firewalled Status Application Form collects information that NTIS will use to evaluate whether the respondent qualifies for “firewalled status” under the rule, and, therefore, can provide a written attestation in lieu of an independent ACAB’s attestation. This information includes specific requirements of Section 1110.502(b) of the final rule, which the respondent ACAB must certify are satisfied, and the provision of specific information by the respondent ACAB, such as the identity of the Person or Certified Person that would be the subject of the attestation and the basis upon which the certifications were made.

*Affected Public:* ACABs seeking firewalled status under 15 CFR 1110.502 because they are “owned, managed or controlled” by the Person or Certified Person for whom they are providing assessment(s) and/or audit(s) under the final rule for “Certification Program for Access to the Death Master File.”

*Frequency:* Once per attestation.

*Respondent’s Obligation:* Voluntary.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

This notice informs the public that the National Technical Information Service (NTIS) is requesting approval of a new information collection described in Section II for use in connection with the final rule for the “Certification Program for Access to the Death Master File.” The final rule was published on June 1, 2016 (81 FR 34882), with the rule to become effective on November 28, 2016. The new information collection described in Section II, if approved, will become effective on the effective date of the final rule.

##### II. Method of Collection

###### *Title of Information Collection*

- (A) “Limited Access Death Master File (LADMF) Accredited Conformity Assessment Body Systems Safeguards Attestation Form” (ACAB Systems Safeguards Attestation Form)
- (B) “Limited Access Death Master File (LADMF) State or Local Government Auditor General (AG) or Inspector General (IG) Systems Safeguards Attestation Form” (AG or IG Systems Safeguards Attestation Form)

*Description of the need for the information and the proposed use:* NTIS issued a final rule establishing a program through which persons may become eligible to obtain access to Death Master File (DMF) information about an individual within three years of that individual’s death. The final rule was promulgated under Section 203 of the Bipartisan Budget Act of 2013, Public Law 113-67 (Act). The Act prohibits the Secretary of Commerce (Secretary) from disclosing DMF

information during the three-year period following an individual’s death (Limited Access DMF), unless the person requesting the information has been certified to access the Limited Access DMF pursuant to certain criteria in a program that the Secretary establishes. The Secretary delegated the authority to carry out Section 203 to the Director of NTIS.

On December 30, 2014, NTIS initially described a “Limited Access Death Master File Systems Safeguards Attestation Form” in the notice of proposed rulemaking (79 FR 78314 at 78321). To accommodate the requirements of the final rule, NTIS is using both the ACAB Systems Safeguards Attestation Form and the AG or IG Systems Safeguards Attestation Form.

The ACAB Systems Safeguards Attestation Form requires an “Accredited Conformity Assessment Body” (ACAB), as defined in the final rule, to attest that a Person seeking certification or a Certified Person seeking renewal of certification has information security systems, facilities and procedures in place to protect the security of the Limited Access DMF, as required under Section 1110.102(a)(2) of the final rule. The ACAB Systems Safeguards Attestation Form collects information based on an assessment by the ACAB conducted within three years prior to the date of the Person or Certified Person’s submission of a completed certification statement under Section 1110.101(a) of the final rule. This collection includes specific requirements of the final rule, which the ACAB must certify are satisfied, and the provision of specific information by the ACAB, such as the date of the assessment and the auditing standard(s) used for the assessment.

Section 1110.501(a)(2) of the final rule provides that a state or local government office of AG or IG and a Person or Certified Person that is a department or agency of the same state or local government, respectively, are not considered to be owned by a common “parent” entity under Section 1110.501(a)(1)(ii) for the purpose of determining independence, and attestation by the AG or IG is possible. The AG or IG Systems Safeguards Attestation Form is for the use of a state or local government AG or IG to attest on behalf of a state or local government department or agency Person or Certified Person. The AG or IG Systems Safeguards Attestation Form requires the state or local government AG or IG to attest that a Person seeking certification or a Certified Person seeking renewal of certification has

information security systems, facilities and procedures in place to protect the security of the Limited Access DMF, as required under Section 1110.102(a)(2) of the final rule. The AG or IG Systems Safeguards Attestation Form collects information based on an assessment by the state or local government AG or IG conducted within three years prior to the date of the Person or Certified Person's submission of a completed certification statement under Section 1110.101(a) of the final rule. This collection includes specific requirements of the final rule, which the state or local government AG or IG must certify are satisfied, and the provision of specific information by the state or local government AG or IG, such as the date of the assessment.

### III. Data

*OMB Control Number:* [0692-XXXX].

*Form Number(s):* NTIS FM100A and NTIS FM100B.

*Type of Review:* New information collection.

*Affected Public:* Accredited Conformity Assessment Bodies and state or local government Auditors General or Inspectors General attesting that a Person seeking certification or a Certified Person seeking renewal of certification under the final rule for the "Certification Program for Access to the Death Master File" has information security systems, facilities and procedures in place to protect the security of the Limited Access DMF, as required by the final rule.

#### *Estimated Number of Respondents*

*ACAB Systems Safeguards Attestation Form:* NTIS expects to receive approximately 500 ACAB Systems Safeguards Attestation Forms from Persons and Certified Persons annually.

*AG or IG Systems Safeguards Attestation Form:* NTIS expects to receive approximately 60 AG or IG Systems Safeguards Attestation Forms from Persons and Certified Persons annually.

#### *Estimated Time per Response*

*ACAB Systems Safeguards Attestation Form:* 3 hours.

*AG or IG Systems Safeguards Attestation Form:* 3 hours.

*Estimated Total Annual Burden Hours:* 1680.

*ACAB Systems Safeguards Attestation Form:* 1500 (500 × 3 hours = 1500 hours).

*AG or IG Systems Safeguards Attestation Form:* 180 (60 × 3 hours = 180 hours).

#### *Estimated Total Annual Cost to Public*

*ACAB Systems Safeguards Attestation Form:* NTIS expects to receive approximately 500 ACAB Systems Safeguards Attestation Forms annually at a fee of \$525 per form, for a total cost of \$262,500. This total annual cost reflects the cost to the Federal Government for the ACAB Systems Safeguards Attestation Forms, which consists of the expenses associated with NTIS personnel reviewing and processing these forms. NTIS estimates that it will take an ACAB's senior auditor three hours to complete the form at a rate of approximately \$135 per hour, for a total additional cost to the public of \$202,500 (1500 burden hours × \$135/hour = \$202,500). NTIS estimates the total annual cost to the public for the ACAB Systems Safeguards forms to be \$465,000 (\$262,500 in fees + \$202,500 in staff time = \$465,000).

*AG or IG Systems Safeguards Attestation Form:* NTIS expects to receive approximately 60 AG or IG Systems Safeguards Attestation Forms annually at a fee of \$525 per form, for a total cost of \$31,500. This total annual cost reflects the cost to the Federal Government for the AG or IG Systems Safeguards Attestation Forms, which consists of the expenses associated with NTIS personnel reviewing and processing these forms. NTIS estimates that it will take an AG or IG senior auditor three hours to complete the form at a rate of approximately \$100 per hour, for a total additional cost to the public of \$18,000 (180 burden hours × \$100/hour = \$18,000). NTIS estimates the total annual cost to the public for AG or IG Systems Safeguards Attestation Forms to be \$49,500 (\$31,500 in fees + \$18,000 in staff time = \$49,500).

NTIS estimates the total annual cost to the public for both the ACAB Systems Safeguards Attestation Forms and the AG or IG Systems Safeguards Attestation Forms to be \$514,500 (\$465,000 for ACAB Systems Safeguards Attestation Forms + \$49,500 for AG or IG Systems Safeguards Attestation Forms).

**AGENCY:** United States Patent and Trademark Office, Department of Commerce.

**ACTION:** Notice of public meeting; request for comments.

**SUMMARY:** The Hague Conference on Private International Law ("The Hague Conference"), an international organization in the Netherlands, is sponsoring negotiations for a convention on the recognition and enforcement of foreign judgments in civil and commercial matters. In February 2016, the Council on General Affairs and Policy of The Hague Conference created a Special Commission on the Recognition and Enforcement of Foreign Judgments ("the Special Commission") to prepare a preliminary draft text of the convention, which is subject to a formal diplomatic negotiation open to member States of The Hague Conference. At its first session in June 2016, the Special Commission produced a Preliminary Draft Convention that contains general and specific provisions that would apply to the recognition and enforcement of judgments arising from transnational intellectual property disputes. The United States Patent and Trademark Office (USPTO) seeks public comments on the June 2016 Preliminary Draft Convention (the "Preliminary
