The CISA sec. 105(a)(4) requires the Secretary of Homeland Security and the Attorney General to jointly develop and make publicly available guidance to assist non-Federal entities with sharing cyber threat indicators with Federal entities. This guidance includes explanations of how non-Federal entities can identify and share cyber threat indicators and defensive measures with the Federal Government in accordance with CISA and describes the protections non-Federal entities receive under CISA for sharing cyber threat indicators and defensive measures, including targeted liability protection and other statutory protections.

Finally, CISA sec. 105(b) requires the Secretary of Homeland Security and the Attorney General, in consultation with the Department Heads and Chief Privacy and Civil Liberties Officers of the designated Federal entities, to jointly develop and make publicly available interim guidelines relating to privacy and civil liberties that govern the receipt, retention, use, and dissemination of cyber threat indicators by a Federal entity. These privacy and civil liberties guidelines are consistent with the Fair Information Practice Principles (FIPPs) set forth in Appendix A of the “National Strategy for Trusted Identities in Cyberspace,” published by the President in April 2011.

Issuance of Agency Guidance Required Under CISA
