SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Amend the By-Laws of Nasdaq, Inc.

December 31, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on December 21, 2015, NASDAQ OMX BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. On December 29, 2015, the Exchange filed Amendment No. 1 to the proposal.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1, from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing this proposed rule change with respect to amendments of the By-Laws (the “By-Laws”) of its parent corporation, Nasdaq, Inc. (“Nasdaq” or the “Company”), to revise the requirements regarding Director classifications. This Amendment No. 1 to SR–BX–2015–085 amends and replaces the original filing in its entirety. The proposed amendments will be implemented on a date designated by the Company following approval by the Commission. The text of the proposed rule change is available on the Exchange’s Web site at http://nasdaqomxbx.cchwallstreet.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Company is proposing amendments to certain provisions of its By-Laws that relate to Director classifications.⁴ Specifically, the Company proposes to revise Section 4.3 of the By-Laws to state that it may, rather than shall, include at least one, but no more than two, Issuer Directors on its Board. In addition, the Company proposes to revise Section 4.7 of the By-Laws to clarify the procedures when a Director’s classification changes between annual meetings of stockholders.

i. Section 4.3

Currently, the Company’s By-Laws require that all of the Company’s Directors be classified as: (i) Industry

⁴ Amendment No. 1 amends and replaces the original filing in its entirety. In Amendment No. 1, the Exchange, among other things, clarified the definitions of “Issuer Director” and “Issuer Directors” on its Board. In addition, the Exchange will expand its definition of “Issuer Director” to include a Director that is a Non-Executive Chairman of the Board and a Director that is an Independent Director. See infra, note 5.
⁵ The provisions of the Company’s By-Laws that relate to Director classifications are completely distinct from the Listing Rules of The NASDAQ Stock Market. Therefore, the proposed amendments do not affect in any way the Company’s obligation, as an issuer listed on The NASDAQ Stock Market, to comply with the Listing Rules, and the Company will continue to comply with the Listing Rules, including provisions relating to corporate governance, following the effectiveness of the proposed By-Law amendments.
null
would be extremely disruptive to the Board, its committees and the Company to add, remove, disqualify or replace a Director between annual meetings of stockholders simply because the Director no longer has the same classification he or she had at the time of the annual meeting. In addition, the selection of nominees to the Company’s Board is an extremely complex process, managed by the Board’s Nominating & Governance Committee, that takes almost the full year between annual meetings of stockholders. The Nominating & Governance Committee considers possible candidates suggested by Board members, industry groups, stockholders, senior management and/or a third-party search firm engaged from time-to-time to assist in identifying and evaluating qualified candidates. In evaluating candidates for nomination to the Board, the Nominating & Governance Committee reviews the skills, qualifications, characteristics and experience desired for the Board as a whole and for its individual members, with the objective of having a Board that reflects diverse backgrounds and senior level experience in the areas of global business, finance, legal and regulatory, technology and marketing. The Nominating & Governance Committee evaluates each individual candidate in the context of the Board as a whole, with the objective of maintaining a group of Directors that can further the success of Nasdaq’s business, while representing the interests of stockholders, employees and the communities in which the company operates. The nominees selection process is so long and complex, the Board cannot act quickly to replace a Director whose classification has changed, and it is not in the best interests of the Company’s stockholders for the Board to be forced to take such an action when the Director otherwise provides valuable service to the Board.

The Company therefore proposes to amend Section 4.7 of the By-Laws to provide that the Board may elect to defer until the next annual meeting of stockholders a determination regarding a change in a Director’s classification and such Director’s continued service on the Board.16 Further, if the Board makes such an election, neither the Board nor any committee shall be deemed to be in violation of Section 4.3 of the By-Laws, which relates to Board composition, or Section 4.13 of the By-Laws, which relates to committee composition. This will give the Board the option to retain Directors whose classification has changed, but whose continued service is otherwise beneficial to the Board, the Company and its stockholders. This also will prevent the significant disruption that would occur if the Board had to replace a Director between annual meetings of stockholders and allow the Board to continue to make informed, deliberate decisions regarding Director nominees, rather than force it to act quickly in a way that is not in the best interest of the Company’s stockholders.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,17 in general, and furthers the objectives of Section 6(b)(5) of the Act,18 in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

First, the Company is proposing an amendment to Section 4.3 of the By-Laws to state that it may, rather than shall, include at least one, but no more than two, Issuer Directors on its Board. The Exchange believes that this change will protect investors and the public interest by allowing the Company’s Nominating & Governance Committee to select nominees for the Company’s Board based on the overall strategic needs of the Board, the Company and its stockholders without forcing the Board to fill one slot with an officer or director of a listed company (i.e., an Issuer Director). The Exchange notes that the Company would still have the option to include Issuer Directors on the Board, and the Exchange believes the views of listed companies are well-represented on the Board without the explicit participation of an Issuer Director.19

Second, the Company is proposing an amendment to Section 4.7 of the By-Laws to provide that the Board may elect to defer until the next annual meeting of stockholders a determination regarding a change in a Director’s classification and such Director’s continued service on the Board. Further, if the Board

16 The intent of the amendment is to allow the Board a deferral until the next annual meeting when it can nominate a slate of directors with time of election during the middle of his or her term, rev’d on other grounds sub nom Crown EMAK P’ners, LLC v. Kurs, 992 A.2d 377 (Del. 2010); see also Klaassens v. Allegro Development Corp., 2013 WL 5739680, at *23 (Del. Ch. SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–363, OMB Control No. 3235–0413]

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549–2736.

Extension: Rule 17Ad–16.

Rule 17Ad–16 requires a registered transfer agent to provide written notice to the appropriate qualified registered securities depository when assuming or terminating transfer agent services on behalf of an issuer or when changing its name or address. In addition, transfer agents that provide such notice shall maintain such notice for a period of at least two years in an easily accessible place. This rule addresses the problem of certificate transfer delays caused by transfer requests that are directed to the wrong transfer agent or the wrong address.

We estimate that the transfer agent industry submits approximately 6,970 Rule 17Ad–16 notices to appropriate qualified registered securities depositories. The staff estimates that the average amount of time necessary to create and submit each notice is approximately 15 minutes per notice. Accordingly, the estimated total industry burden is 1,743 hours per year (15 minutes multiplied by 6,970 filed annually).

Because the information needed by transfer agents to properly notify the appropriate registered securities depository is readily available to them and the report is simple and straightforward, the cost is relatively minimal. The average internal compliance cost to prepare and send a notice is approximately $7.50 (15 minutes at a $30 per hour). This yields an industry-wide internal compliance cost estimate of $52,275 ($6,970 notices multiplied by $7.50 per notice).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
