Notice of Availability of the Deepwater Horizon Oil Spill Final Programmatic Damage Assessment and Restoration Plan and Final Programmatic Environmental Impact Statement (Final PDARP/PEIS)

AGENCY: National Oceanic and Atmospheric Administration, Commerce.

ACTION: Notice of availability of a Final Programmatic Damage Assessment and Restoration Plan and Final Programmatic Environmental Impact Statement.

SUMMARY: In accordance with the Oil Pollution Act of 1990 (OPA) and the National Environmental Policy Act (NEPA), the *Deepwater Horizon* Federal and State natural resource trustee agencies (Trustees) have prepared a Final Programmatic Damage Assessment and Restoration Plan and Final Programmatic Environmental Impact Statement (Final PDARP/PEIS). As required by OPA, in this Final PDARP/PEIS, the Trustees present the assessment of impacts of the *Deepwater Horizon* oil spill on natural resources in the Gulf of Mexico and on the services those resources provide, and determine the restoration needed to compensate the public for these impacts. The Final PDARP/PEIS describes the Trustees' programmatic alternatives considered to restore natural resources, ecological services, and recreational use services injured or lost as a result of the *Deepwater Horizon* oil spill. The Trustees evaluate these alternatives under criteria set forth in the OPA natural resource damage assessment regulations, and also evaluate the environmental consequences of the restoration alternatives in accordance with NEPA. The purpose of this notice is to inform the public of the availability of the Final PDARP/PEIS.
